CIM Coursebook: Delivering Customer Value through Marketing Ray Donnelly, 2010-09-08 Butterworth Heinemann's CIM Coursebooks have been designed to match the syllabus and learning outcomes of our new qualifications and should be useful aids in helping students understand the complexities of marketing. The discussion and practical application of theories and concepts with relevant examples and case studies should help readers make immediate use of their knowledge and skills gained from the qualifications. Professor Keith Fletcher, Director of Education, The Chartered Institute of Marketing, Here in Dubai, we have used the Butterworth Heinemann Coursebooks in their various forms since the very beginning and have found them most useful as a source of recommended reading material as well as examination preparation. Alun Epps, CIM Centre Coordinator, Dubai University College, United Arab Emirates. Butterworth Heinemann's official CIM Coursebooks are the definitive companions to the CIM professional marketing qualifications. The only study materials to be endorsed by The Chartered Institute of Marketing. CIM all content is carefully structured to match the syllabus and is written in collaboration with the CIM faculty. Each chapter is packed full of case studies, study tips and activities to test your learning and understanding as you go along. The coursebooks are the only study guide reviewed and approved by CIM. The Chartered Institute of Marketing. Each book is crammed with a range of learning objectives, cases, questions, activities, definitions, study tips and summaries to support and test your understanding of the theory. Past examination papers and examiners' reports are available online to enable you to practise what has been learned and help prepare for the exam and pass first time. Extensive online materials support students and tutors at every stage. Based on an understanding of student and tutor needs gained in extensive research, online materials have been designed specifically for CIM students and created exclusively for Butterworth Heinemann. Customer Communications in Marketing Gill Wood, 2001

Customer Communications in Marketing 2001 2002 is a specifically tailored coursebook for students undertaking the Customer Communications in Marketing module of the CIM Certificate. Butterworth Heinemann have worked closely with the Education Division of the CIM to ensure that all aspects of the text are up to date and correspond to the CIM's requirements, making this title the definitive companion to this year's course. Its comprehensive content and user friendly text layout are designed to facilitate learning with questions, activities, definitions and study tips to support the theory, while the structured study units link the information directly to the CIM syllabus. The new edition of this text contains a firmly international perspective, new material to cover negotiations and e marketing issues, a completely revised Continuous Assessment unit, new and up to date examples and case studies to illustrate the theory, additional text references and website references, preparatory aids for the final exam including the most recent exam papers, examiners' marking schemes and specimen answers. Comprehensive yet uniquely accessible, it provides essential support for anyone undertaking a CIM course, written by the CIM Senior Examiner for the Customer Communications module, completely revised and updated to fit in with CIM Customer Communications syllabus, officially endorsed by the CIM.
