Citizen Hamilton The Wit And Wisdom Of An American Founder:

Citizen Hamilton Alexander Hamilton, 2006 In this elegant collection Donald R Hickey and Connie D Clark bring together enlightening important and amusing selections from Hamilton's speeches published writings and personal letters As we come to understand his thoughts on subjects as diverse as the Constitution love war liberty and honor we find that his words are often as applicable in our own time as they were in his

Outrage Machine Tobias Rose-Stockwell, 2023-07-11 Amazon's Best History Book of the Month for July 2023 An invaluable guide to understanding how the internet has broken our brains and what we can do to fix it The original internet was not designed to make us upset distracted confused and outraged But something unexpected happened at the turn of the last decade when a handful of small features were quietly launched at social media companies with little fanfare Together they triggered a cascading set of dramatic changes to how media politics and society itself operate inadvertently creating an Outrage Machine we cannot ignore Author designer and media researcher Tobias Rose Stockwell shares the defining shifts caused by these technologies and how they have ignited a society wide crisis of trust Drawing from cutting edge research and vivid personal anecdotes Rose Stockwell illustrates how social media has bound us to an unprecedented system of public performance training us to react rather than reflect and attack rather than debate Outrage Machine reveals the triggers and tactics used to exploit our anger unpacking how these tools hack our deep tribal instincts and psychological vulnerabilities and how they have become opportunistic platforms for authoritarians and a threat to democratic norms everywhere But this book is not just about the problem In a story spanning continents and generations Rose Stockwell explores how every new media technology disrupts our ability to make sense of the world from the printing press to the telegraph from radio to television Outrage Machine situates social media within a historical cycle of confusion violence and emerging tolerance Using clear language and powerful illustrations this book reveals the magnitude of the challenges we face while offering realistic solutions and a promising pathway out

The Great Decision Cliff Sloan, David McKean, 2010-03-02 In 1800 the United States teetered on the brink of a second revolution The presidential election between Adams and Jefferson was a bitterly contested tie and the government neared collapse The Supreme Court had no clear purpose or power no one had even thought to build it a courtroom in the new capital city When Adams sought to prolong his policies in defiance of the electorate by packing the courts the fine words of the new Constitution could do nothing to stop him It would take a man to make those words good and America found him in John Marshall The Great Decision tells the riveting story of Marshall and of the landmark court case Marbury v Madison through which he empowered the Supreme Court and transformed the idea of the separation of powers into a working blueprint for our modern state Rich in atmospheric detail political intrigue and fascinating characters The Great Decision is an illuminating tale of America's formative years and of the evolution of our democracy
