the party political motivations behind these Zeppelin Nights Jerry White,2014-05-01 Zeppelin Nights is social history at its best White creates a vivid picture of a city changed forever by war The Times 2018 marks the centenary of the end of the First World War In those four decisive years London was irrevocably changed Soldiers passed through the capital on their way to the front and wounded men were brought back to be treated in London s hospitals At night London plunged into darkness for fear of Zeppelins that raided the city Meanwhile women escaped the drudgery of domestic service to work as munitionettes Full employment put money into the pockets of the poor for the first time Self appointed moral guardians seize the chance to clamp down on drink frivolous entertainment and licentious behaviour Even against a war torn landscape Londoners were determined to get on with their lives firmly resolved not to let Germans or puritans spoil their enjoyment Peopled with patriots and pacifists clergymen and thieves bluestockings and prostitutes Jerry White s magnificent panorama reveals a battle scarred yet dynamic flourishing city Jerry White s name on a title page is a guarantee of a lively compassionate book full of striking incidents and memorable images This is a fast paced social history that never stumbles A well orchestrated polyphony of voices that brings history alive Guardian **A Kingdom United** Catriona Pennell,2012-03-01 In this the first fully documented study of British and Irish popular reactions to the outbreak of the First World War Catriona Pennell explores UK public opinion of the time successfully challenging post war constructions of war enthusiasm in the British case and disengagement in the Irish Drawing from a vast array of contemporary diaries letters journals and newspaper accounts from across the UK **A Kingdom United** explores what people felt and how they acted in response to an unanticipated and unprecedented crisis It is a history of both ordinary people and elite figures in extraordinary times Pennell demonstrates that describing the reactions of over 40 million British and Irish people to the outbreak of war as either enthusiastic in the British case or disengaged in the Irish is over simplified and inadequate Emotional reactions to the war were ambiguous and complex and changed over time By the end of 1914 the populations of England Scotland Wales and Ireland had largely embraced the war but the war had also embraced them and showed no signs of relinquishing its grip The five months from August to December 1914 set the shape of much that was to follow **A Kingdom United** describes and explains the twenty week formative process in order to deepen our understanding of British and Irish entry into war **A Catalogue of the Collection of Works Relating to ...
