The Log ,1945 *Fundamental Tax Reform* John W. Diamond,George R. Zodrow,2008 Papers presented at a conference held at the James A Baker III Institute for Public Policy at Rice University in Apr 2006 **Essentials of Business Research Methods** Joe F. Hair Jr.,Michael Page,Niek Brunsveld,2019-11-05 In an era of big data and data analytics how can managers make decisions based on almost unlimited information not to mention hiring and retaining individuals with the required data analytics skills The new fourth edition of Essentials of Business Research Methods explains research methods and analytical techniques for individuals who aren't data scientists The authors offer a straightforward hands on approach to the vital managerial process of gathering and using data to make relevant and timely business decisions They include critical topics such as the increasing role of online research ethical issues privacy matters data analytics customer relationship management how to conduct information gathering activities more effectively in a rapidly changing business environment and more This is also the only text that includes a chapter on qualitative data analysis and the coverage of quantitative data analysis is more extensive as well as much easier to understand than in other texts A realistic continuing case used throughout the book applied research examples and ethical dilemma mini cases enable upper level undergraduate and postgraduate students to see how business research information is used in the real world This comprehensive textbook is supported by a range of online resources including instructors manuals PowerPoint slides and test banks **From Blood Diamonds to the Kimberley Process** Franziska Bieri,2016-04-15 In the late 1990s several non governmental organizations NGOs focused world attention on the issue of conflict diamonds which funded wars massive death and refugee crises across Central and West Africa Several governments NGOs and key industry players engaged in negotiations under the so called Kimberley Process KP A voluntary global agreement came into effect leading to a substantial decline in illicit diamond trade Despite its importance in international affairs the KP remains understudied in academia Franziska Bieri's book provides the first comprehensive account of the KP and is the first to reveal how NGOs have become critical actors in their own right possessing the ability to directly influence policies and to participate in the decision making and the implementation of global agreements In developing this argument Bieri explains why the NGO campaign to raise awareness was successful why a rapid and comprehensive resolution on such a complex global problem was possible how the tripartite negotiations between states NGOs and industry developed during the implementation of the agreement which is an on going process Based on extensive personal interviews with prominent campaigners leading bureaucrats and industry officials hundreds of KP publications official UN documents industry news and NGO reports this timely book allows for a much needed engagement in contemporary debates about the campaign against conflict diamonds the Kimberley Process and the themes defining today's global governance arena *Global Perspectives on Cultural Property Crime* Michelle D. Fabiani,Kate Melody Burmon,Saskia Hufnagel,2022-08-11 This book provides transnational insight into cultural property crimes and the cutting edge work

tackling issues ranging from currency crimes to innovative research methods The volume brings together authors from a number of fields to address contemporary issues and advances in the fight against cultural property crime It combines the perspectives of law enforcement officials researchers journalists lawyers and scholars with specialities in the disciplines of criminology law archaeology museum studies political science and economics from countries all around the globe This allows for a more comprehensive examination of issues facing these professionals and highlights similarities between the challenges encountered in different disciplines as well as in diverse locations It seeks to disseminate the most current work in this field from a broad array of viewpoints in order to further facilitate an exchange of ideas and lay the groundwork to inspire future collaborations Most significantly it provides more specific suggestions for moving forward that could help assist stakeholders to connect and work directly with each other despite international borders and discipline related boundaries The book will be a valuable resource for researchers practitioners and policymakers working in the area of cultural property crime

Essentials of Business Research Methods Joseph F. Hair, 2015-05-18 Managers increasingly must make decisions based on almost unlimited information How can they navigate and organize this vast amount of data Essentials of Business Research Methods provides research techniques for people who aren't data analysts The authors offer a straightforward hands on approach to the vital managerial process of gathering and using data to make clear business decisions They include such critical topics as the increasing role of online research ethical issues data mining customer relationship management and how to conduct information gathering activities more effectively in a rapidly changing business environment This is the only such book that includes a chapter on qualitative data analysis and the coverage of quantitative data analysis is more extensive and much easier to understand than in other works The book features a realistic continuing case throughout the text that enables students to see how business research information is used in the real world It includes applied research examples in all chapters as well as Ethical Dilemma mini cases and interactive Internet applications and exercises
