Gems & Gemology, 2002      Asia in Amsterdam Rijksmuseum (Netherlands), 2015-01-01 Discusses the Asian luxury goods that were imported into the Netherlands during the 17th century and demonstrates the overwhelming impact these works of art had on Dutch life and art during the Golden Age      *Expressions of High Status* Jean-Pascal Daloz, 2022-09-01 This book is an unprecedented effort to compare representations and practices of social distinction worldwide and over the centuries. It is based on years of observation in many countries and on the consultation of more than 2 500 multi-disciplinary publications dealing directly or indirectly with this theme. In two previous theoretical volumes on the topic *The Sociology of Elite Distinction* and *Rethinking Social Distinction* welcomed as major breakthroughs Jean-Pascal Daloz has established himself as the foremost scholar of symbolic social superiority from a comparative perspective. After having rigorously shown the limits of the main analytical frameworks available and outlined a much more inductive approach, his new empirical book continues this intellectual journey. Taking into consideration all sorts of cases and patterns of meaning, it offers an impressive synthesis demonstrating how diverse the expressions of high status can be. This comparative work is intended to be a crucial reference point and an important source of inspiration for researchers and students across many fields      *Forthcoming Books* Rose Arny, 1990      **Famous Diamonds of the World** Robert M. So that the book is never forgotten, we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature      The Great Diamonds of the World Edwin William Streeter, 1881      **Diamonds** Natural History Museum (London, England), 2005 This catalogue contains 60 images of dazzling diamonds from the exhibition plus full listing of loans and essays on geology and history.
