Diaries 1915 1923 Behind The Mask:

Sergey Prokofiev Diaries, 1915-1923 Sergey Prokofiev, 2008 To go to America Here was wretchedness there life brimming over Such was the flag under which I greeted the New Year Surely it will not disappoint my hopes With these words Sergey Prokofiev closed his diary for the revolutionary year 1917 He would not be disappointed by 1918 On August 24 after an epic trek that carried him across strife torn Russia to the Pacific and the breadth of North America he stepped from a stifling Grand Central Terminal onto the streets of New York This marked the beginning of his exile which would last with one brief exception until 1934 This second volume of Prokofiev s diary records an astonishing record of artistic accomplishment against a backdrop of cataclysmic change The composer dodges gunfire in Petrograd during the February Revolution but as a rule pays attention to political events only as they affect him personally Composition and performance are the main concerns along with the persistent and ultimately failed struggle to arrange a performance of his opera The Gambler As in his Conservatory years he also reveals his own aesthetic principles as he reacts to the work of others sometimes with dark humor bored out of my life by Mahler s 7th Symphony it is like kissing a still born child The years in America were difficult Always in the shadow of Rachmaninoff he struggled to establish himself as composer and piano virtuoso He details the seemingly endless but finally successful battle with the Chicago Civic Opera to mount Love for the Three Oranges falls in love with the young Stella Adler and begins work on his third opera The Fiery Angel Two years later he is in Paris where his music is more warmly received than in Russia or America Here the galaxy of connections grows exponentially as his fame expands As always he documents his encounters with sharp often sardonic insight The pages of the diary teem with the names of the period s most celebrated artists There are the Russians Diaghilev Chaliapin Kossevitzy Stravinsky Mayakovsky a fearsome apache Meyerhold and Bakst But Prokofiev s world now expands to include Ravel Szymanowski Marinetti Mary Garden Cocteau Artur Rubenstein and many others **Lina & Serge** Simon

Morrison, 2017-11-01 This account of the renowned composer s neglected wife including her years in a Soviet prison is a story both riveting and wrenching Kirkus Reviews starred review Serge Prokofiev was one of the twentieth century s most brilliant composers yet is an enigma to historians and his fans Why did he leave the West and move to the Soviet Union despite Stalin s crimes Why did his astonishing creativity in the 1930s soon dissolve into a far less inspiring output in his later years The answers can finally be revealed thanks to Simon Morrison s unique and unfettered access to the family s voluminous papers and his ability to reconstruct the tragic riveting life of the composer s wife Lina Morrison s portrait of the marriage of Lina and Serge Prokofiev is the story of a remarkable woman who fought for survival in the face of unbearable betrayal and despair and of the irresistibly talented but heartlessly self absorbed musician she married Born to a Spanish father and Russian mother in Madrid at the end of the nineteenth century and raised in Brooklyn Lina fell in love with a rising star composer and defied convention to be with him courting public censure She devoted her life to Serge and art

training to be an operatic soprano and following her brilliant husband to Stalin's Russia. Just as Serge found initial acclaim before becoming constricted by the harsh doctrine of socialist realist music, Lina was at first accepted and later scorned, ending her singing career. Serge abandoned her and took up with another woman. Finally, Lina was arrested and shipped off to the gulag in 1948. She would be held in captivity for eight awful years. Meanwhile, Serge found himself the tool of an evil regime to which he was forced to accommodate himself. The contrast between Lina and Serge is one of strength and perseverance versus utter self-absorption, a remarkable human drama that draws on the forces of art, sacrifice, and the struggle against oppression. Readers will never forget the tragic drama of Lina's life and never listen to Serge's music in quite the same way again.

Goodbye Russia Fiona Maddocks, 2024-01-02. The moving story of Rachmaninoff's years in exile and the composition of his last great work set against a cataclysmic backdrop of two world wars and personal tragedy. In 1940, Sergei Rachmaninoff, living in exile in America, broke his creative silence and composed a swan song to his Russian homeland, his iconic *Symphonic Dances*. What happened in those final, haunted years, and how did he come to write his farewell masterpiece? Rachmaninoff left Petrograd (now St. Petersburg) in 1917 during the throes of the Russian Revolution. He was forty-four years old, at the peak of his powers as composer, conductor, performer, moving in elite Tsarist circles as well as running the family estate, his refuge and solace. He had already written the music which today has made him one of the most popular composers of all time: the second and third Piano Concertos and two symphonies. The story of his years in exile in America and Switzerland has only been told in passing. Reeling from the trauma of a life in upheaval, he wrote almost no music and quickly had to reinvent himself as a famed virtuoso pianist, building up untold wealth and meeting the stars from Walt Disney and Charlie Chaplin to his Russian contemporaries and polar opposites, Prokofiev and Stravinsky. Yet the melancholy of leaving his homeland never lifted. Using a wide range of sources, including important newly translated texts, Fiona Maddocks's immensely readable book conjures impressions of this enigmatic figure, his friends, and the world he encountered. It explores his life as an emigré artist and how he clung to an Old Russia which no longer existed. That forging of past and present meets in his *Symphonic Dances*, 1940, his last composition, written on Long Island shortly before his death in Beverly Hills, surrounded by a close-knit circle of exiles. *Goodbye Russia* is a moving and prismatic look at Rachmaninoff and his iconic final work.

Sergei Prokofiev Christina Guillaumier, 2024-10-13. A critical biography of the twentieth-century Russian composer and pianist. This wide-ranging and incisive biography unfolds the life and work of the much-loved twentieth-century composer Sergei Prokofiev. In it, Christina Guillaumier reveals Prokofiev's surprisingly optimistic spirit amidst a tumultuous backdrop of geopolitical chaos and ever-shifting musical landscapes. Guillaumier breathes life into the people and worlds that shaped Prokofiev's complicated life, capturing the unwavering passion of a musical genius whose love for his craft transcended all barriers. This new critical account is a vivid portrait of the artist's indomitable drive.

Sergei Rachmaninoff Rebecca Mitchell, 2022-06-20. Drawing extensively on Russian language sources, a concise yet comprehensive

survey of the life and work of one of classical music's great composers. Unquestionably one of the most popular composers of classical music, Sergei Rachmaninoff has not always been so admired by critics. Detractors have long perceived Rachmaninoff as part of an outdated Romantic tradition from a bygone Russian world aloof from the modernist experimentation of more innovative contemporaries such as Igor Stravinsky. In this new assessment, Rebecca Mitchell resituates Rachmaninoff in the context of his time, bringing together the composer and his music within the remarkably dynamic era in which he lived and worked. Both in Russia and later in America, Rachmaninoff and his music were profoundly modern expressions of life in tune with an uncertain world. This concise yet comprehensive biography will interest general readers as well as those more familiar with this giant of Russian classical music. *Dostoevsky's The Gambler* Svetlana Evdokimova, 2024-02-02

Fyodor Dostoevsky's novel *The Gambler* is one of the most profound literary works to treat the phenomenon of gambling with a remarkable depth of psychological analysis and a wide-ranging cultural and philosophical exploration of obsessive behavior from addictive gambling to erotic passion. This novel delves into the cultural, psychological, and philosophical issues surrounding games of chance such as temporality, freedom, rebellion, choice, uncertainty, determinism, and creativity. This is the first book in English dedicated to *The Gambler*. This volume considers the phenomenon of gambling from a broad interdisciplinary perspective, focusing not only on medical and psychological concepts of gambling as pathology but also on the broader cultural, philosophical, religious, and aesthetic aspects of the problem. What triggers fascination with risk-taking and various aleatory activities? What are the relations between gambling, play, and creativity? Can gambling be seen as a form of social or existential rebellion and protest, or even a quest for freedom? Scholars from a variety of fields, including psychiatry, psychology, philosophy, literary studies, and musicology, have contributed to this volume and analyzed Dostoevsky's view of gambling as a fundamental problem of human existence with implications in the realms of philosophy, religion, and aesthetics.

The Bedbug Peter Day, 2015-07-09 Klop Ustinov was Britain's most ingenious spy, but he was never licensed to kill. Instead, he was authorised to bemuse and beguile his enemies into revealing their deepest, darkest secrets. From the Russian Revolution to the Cold War, he bluffed and tricked his way into the confidence of everyone from Soviet commissars to Gestapo Gruppenführer. Although his official codename was U35, he was better known as Klop, meaning Bedbug, a name given to him by a very understanding wife on account of his extraordinary capacity to hop from one woman's bed to another in the King's service. Frequenting the social gatherings of Europe under the guise of innocent bon viveur, he displayed a showman's talent for entertaining a trait. His son, the actor Peter Ustinov, undoubtedly inherited and captivated unsuspecting audiences while scavenging their secrets. Using exciting anecdotes and first-hand accounts, Peter Day explores the fascinating life of one of espionage's most inventive and memorable characters. *The Bedbug* was a master of uncovering the truth through telling tales; now his own tale can be told. *The Creative Labor of Music Patronage in Interwar France* Louis K. Epstein, 2022

Challenges the longstanding perception that modernist composers made art, not money, and that those who made money

somehow failed to make art Patrons have long appeared as colorful exceptional figures in music history but this book recasts patrons and patronage as creative forces that shaped the sounds and meanings of new French music between the world wars Far from mere sources of funding early twentieth century patrons collaborated closely with composers treating commissions for new music as opportunities to express their own artistry Patrons developed new pathways to participate in music making going beyond commissions to establish ballet companies manage performance venues and establish state programs The impressive variety of patronage activities led to an explosion of new music as well as new styles and isms indelibly marking the repertoire that this book examines including a number of pieces frequently heard in concert halls today In addition to offering new perspectives on well known French repertoire this book challenges conceptions of patronage as a bygone phenomenon Complementing a dwindling cast of aristocratic patrons were new ranks of music publishers impresarios state bureaucrats opera directors and others capitalizing on their savings social connections and artistic vision to bring new music into the world In chapters on French discourse around patronage aristocratic commissions the stimulus provided by the interwar dance craze music publishing the Paris Op ra state intervention in French musical life and transatlantic musical exchanges the book blends cultural history with primary source study and music analysis It not only improves our understanding of French musical life and culture during the early twentieth century but also supplies us with essential insights into the ways modern music emerged at the intersection of music composition aesthetic and national politics and the creative labor of patrons

The New Criterion ,2009 *The Great War for Peace* William Mulligan,2014-05-27 Offers an assessment of the first two decades of the twentieth century and especially the First World War that argues that these years played an essential part in the creation of a peaceful global order

Ignite the flame of optimism with is motivational masterpiece, **Diaries 1915 1923 Behind The Mask** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Diaries 1915 1923 Behind The Mask Introduction

In today's digital age, the availability of Diaries 1915 1923 Behind The Mask books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Diaries 1915 1923 Behind The Mask books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Diaries 1915 1923 Behind The Mask books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Diaries 1915 1923 Behind The Mask versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Diaries 1915 1923 Behind The Mask books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Diaries 1915 1923 Behind The Mask books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Diaries 1915 1923 Behind The Mask books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Diaries 1915 1923

Behind The Mask books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Diaries 1915 1923 Behind The Mask books and manuals for download and embark on your journey of knowledge?
