

The background of the top two-thirds of the image is a warm, orange-brown gradient. Overlaid on this background are several dandelion seed heads. One large, detailed seed head is positioned in the lower right quadrant, with its stem pointing downwards. Several other seed heads are scattered in the upper half of the image, appearing as if they are floating or blowing away. The overall aesthetic is soft and evocative, suggesting themes of dispersal and diaspora.

The Practice of Mission in Global Methodism David W.

Scott, Darryl W. Stephens, 2021-04-19 This book brings together Methodist scholars and reflective practitioners from around the world to consider how emerging practices of mission and evangelism shape contemporary theologies of mission. Engaging contemporary issues including migration, nationalism, climate change, postcolonial contexts, and the growth of the Methodist church in the Global South, this book examines multiple forms of mission including evangelism, education, health, and ministries of compassion. A global group of contributors discusses mission as no longer primarily a Western activity but an enterprise of the entire church throughout the world. This volume will be of interest to researchers studying missiology, evangelism, global Christianity, and Methodism, and to students of Methodism and mission.

A Biblical Approach to Mission in Context Michael Ufok Udoekpo, 2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure's contribution to the study of biblical theology in context. It also stands in its own right as a vade mecum of current trends in biblical scholarship, gender, and contextual hermeneutics. Written by an international array of respected scholars, Okure's colleagues, former students, siblings, and fellow commentators, this volume includes detailed exegetical studies, discussion on theological methods, and contextual approaches from a variety of standpoints and an effort to relate biblical exegesis, theology, and inculturation, faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context. In sum, the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies. The brief narrative of personal encounter written by Bernadette Okure, SHCJ, forewords by John Cardinal Onaiyekan and Bishop Camillus Raymond Umoh, as well as an insightful epilogue by Fr. Aniedi Okure, OP, provide additional insight into the historical and socio-cultural contexts within which Okure's formation and contributions unfolded.

For Our Good Always Jason S. DeRouchie, Jason Gile, Kenneth J. Turner, 2024-09-12 With a title adapted from Deuteronomy 6:24, For Our Good Always is a collection of 25 essays from evangelical scholars on the message of Deuteronomy and its influence on Christian Scripture. No other book colors the tapestry of biblical thought quite like Deuteronomy. It synthesized the theology of the Pentateuch, provided Israel with a constitution for guiding their covenant relationship with Yahweh in the promised land, and served as a primary lens through which later biblical authors interpreted Israel's covenant history. Recent advances in scholarship on Deuteronomy and developments in biblical interpretation are raising fresh questions and opening new paths for exploration. This collection of studies wrestles with Deuteronomy from historical, literary, theological, and canonical perspectives and offers new questions, presents original discoveries, and makes innovative proposals. The volume is offered in honor of Daniel I. Block on the occasion of his 70th birthday. Few Old Testament scholars have worked so ably, carefully, and intentionally to help the church and the academy grasp the message of Deuteronomy. Block's own studies always exhibit an admirable balance of exegetical rigor, literary and theological awareness, and pastoral care, and for well over a decade he has, like the priest scribe Ezra, devoted himself to the

study practice and teaching of the deuteronomic torah Ezra 7 10 helping and urging others to hear the life giving gospel of Moses in Deuteronomy The international group of specialists that contributed to this volume consists of Daniel Block s colleagues friends and former students It is their hope that these studies will in various ways supplement Daniel Block s work serving the church and the academy and honoring the God of Israel Motus Dei Warrick Farah,2021-10-26 Discover Your Place in the Movement of God An incredible breakthrough in missions history is taking place as disciples of Jesus make more disciples of Jesus around the globe particularly among the least reached But what exactly are these church planting or disciple making movements Where are they occurring and what are their unifying features How are they manifesting in diverse populations And can you or your organization be instrumental in catalyzing more movements Motus Dei Latin for movement of God seeks to answer these questions and more Warrick Farah has expertly synthesized an extensive conversation between mission practitioners scholars and seasoned movement leaders from around the world The resulting in depth analysis of movements provides a multi disciplinary academic investigation of an emerging movements missiology highlighting the importance of theology social sciences ethnology and anthropology communications theory leadership theory and statistical analysis Motus Dei locates the current Church Planting Movement CPM phenomenon within modern history while tracing its roots back to the first century and articulates a missiological description of the dynamics of Disciple Making Movements DMMs in Asia Africa and diaspora contexts in the Global North Offering over thirty firsthand accounts of indigenous churches planting churches among the nations Motus Dei provides a seedbed for growing movements in diverse contexts There are lessons to be learned here by anyone seeking to participate in the movement of God Doing Diaspora Missiology Toward "Diaspora Mission Church" Luther Jeom Ok Kim,2016-01-05 In U S Population Projections 2005 2050 Pew Research Center reported that The nation s population will rise to 438 million in 2050 from 296 million in 2005 and fully 82% of the growth during this period will be due to immigrants arriving from 2005 to 2050 and their descendants This shows that it is essential to study and understand how our mission especially in the context of the USA called the nation of immigrants will respond to this huge mobility of immigrant diaspora So far there has been emphasis on doing diaspora missiology however there is no practical implications and application in local church setting Now mission is next door which implies that the ministry of the local church should be emphasized for 21st contemporary mission This book provides detailed frameworks and methods of diaspora missiology within local churches called diaspora mission church According to the Bible all human beings are theologically and spiritually diaspora irrespective of ethnicity because they were banished from the Garden of Eden and scattered around the world in God s judgment Now they walk toward the encounter with Jesus Christ preach the gospel as the seed of Kingdom and finally move toward heaven The State of Missiology Today Charles E.
