conspiracy to overthrow the state ostensibly led by Crassus and a group of disaffected senators Underlying this is the great rivalry between Cicero and Caesar who represent two different types of ambition one orthodox the other revolutionary As Caesar's power grows Cicero must face the inevitable compromises that come from holding power is it justifiable to use illegal methods in order to save the Republic Robert Harris yet again proves himself a master of historical fiction as he takes the reader to the heart of republican Rome with a novel that is at once brilliantly researched and utterly gripping
