The Book Collector's Fact Book Margaret Haller,1976 Provides information relevant guidance assessments and timely explanations pertaining to old rare and valuable books and to book collecting arranging entries in glossary format

Dictionary of American Antiquarian Bookdealers Donald C.

Dickinson,1998-04-23 The first published reference source to bring together biographical information on American antiquarian bookdealers this book provides librarians dealers and collectors with useful information on those dealers who were prominent in securing and distributing used and rare books manuscripts maps autographs documents and ephemera The book covers 205 notable dealers who died before August 1 1997 Prominent dealers are identified as those who carried quality stock issued carefully documented sales catalogs participated in professional organizations and helped develop important private and institutional collections The book considers such well known figures as Abraham Simon Wolf Rosenbach Charles Sessler and Hans Peter Kraus Each profile describes the dealer s subject specialities the style of catalogs and sales lists issued the dealer s impact on private and institutional collecting professional activity and when relevant the final disposition of the dealer s stock Entries conclude with a selected bibliography of sources The information drawn from both primary and secondary sources will be useful to library reference workers bookdealers collectors and anyone interested in the history of the American antiquarian book trade

The Bulletin of the Bibliographical Society of America

Bibliographical Society of America,1910

Edward Eberstadt & Sons Michael Vinson,2016-08-08 An unlikely bookseller in New York City became the leading dealer in rare Western Americana for most of the twentieth century After working in western U S and South American gold mines at the turn of the twentieth century Edward Eberstadt 1883 1958 returned to his home in New York City in 1907 Through luck and happenstance he purchased an old book for fifty cents that turned out to be a rare sixteenth century Mexican imprint From this bit of serendipity Eberstadt quickly became one of the leading western Americana rare book dealers In this book Michael Vinson tells the story of how Edward Eberstadt Sons developed its legendary book collection which formed the backbone of many of today s top western Americana archives Although the firm s business records have not survived Edward and his sons Charles and Lindley were all prodigious letter writers and nearly every collector kept his or her correspondence Drawing upon these letters and on his own extensive experience in the rare book trade Vinson gives the reader a vivid sense of how the commerce in rare books and manuscripts unfolded during the era

of the Eberstadts particularly in the relationships between dealers and customers He explores the backstory that scholars of art history and museology have pursued in recent decades the assembling of cultural treasures their organization for use and the establishment of institutions to support that use His work describes the important role this key bookselling firm played in the western Americana trade from the early 1900s to Eberstadt Sons dissolution in 1975 From Yale University and the American Antiquarian Society to the Newberry Library and the Huntington Library the firm of Edward Eberstadt Sons has left its mark in western Americana repositories across the nation Told here for the first time the Eberstadt story reveals how one family s business and legacy have shaped the study of the American West Dictionary of Literary Biography Joseph Rosenblum,1997
