Dictionary of American Antiquarian Booksellers Donald C. Dickinson, 1998 Edward Eberstadt & Sons Michael Vinson, 2016-08-08

An unlikely bookseller in New York City became the leading dealer in rare Western Americana for most of the twentieth century After working in western U S and South American gold mines at the turn of the twentieth century Edward Eberstadt 1883 1958 returned to his home in New York City in 1907 Through luck and happenstance he purchased an old book for fifty cents that turned out to be a rare sixteenth century Mexican imprint From this bit of serendipity Eberstadt quickly became one of the leading western Americana rare book dealers In this book Michael Vinson tells the story of how Edward Eberstadt Sons developed its legendary book collection which formed the backbone of many of today's top western Americana archives Although the firm's business records have not survived Edward and his sons Charles and Lindley were all prodigious letter writers and nearly every collector kept his or her correspondence Drawing upon these letters and on his own extensive experience in the rare book trade Vinson gives the reader a vivid sense of how the commerce in rare books and manuscripts unfolded during the era of the Eberstadts particularly in the relationships between dealers and customers He explores the backstory that scholars of art history and museology have pursued in recent decades the assembling of cultural treasures their organization for use and the establishment of institutions to support that use His work describes the important role this key bookselling firm played in the western Americana trade from the early 1900s to Eberstadt Sons dissolution in 1975 From Yale University and the American Antiquarian Society to the Newberry Library and the Huntington Library the firm of Edward Eberstadt Sons has left its mark in western Americana repositories across the nation Told here for the first time the Eberstadt story reveals how one family's business and legacy have shaped the study of the American West

The Papers of the Bibliographical Society of America Bibliographical Society of America, 1999 The Bookshop Evan

Friss, 2024-08-06 A NEW YORK TIMES BESTSELLER Goodreads Choice Award Winner in History Biography One of Time's 100 Must Read Books of 2024 A spirited defense of this important odd and odds defying American retail category The New York Times It is a delight to wander through the bookstores of American history in this warm generous book Emma Straub New York Times bestselling author and owner of Books Are Magic An affectionate and engaging history of the American bookstore and its central place in American cultural life from department stores to indies from highbrow dealers trading in first editions to sidewalk vendors and from chains to special interest community destinations Bookstores have always been unlike any other kind of store shaping readers and writers and influencing our tastes thoughts and politics They nurture local communities while creating new ones of their own Bookshops are powerful spaces but they are also endangered ones In The Bookshop we see the stakes what has been and what might be lost Evan Friss's history of the bookshop draws on oral histories archival collections municipal records diaries letters and interviews with leading booksellers to offer a fascinating look at this institution beloved by so many The story begins with Benjamin Franklin's first bookstore in Philadelphia and takes us to a range of booksellers including the Strand Chicago's Marshall Field Company the Gotham Book Mart specialty stores like Oscar Wilde and Drum and Spear sidewalk sellers of used books Barnes Noble Amazon Books and Parnassus The Bookshop is also a history of the leading figures in American bookselling often impassioned eccentrics and a history of how books have been marketed and sold over the course of more than two centuries including for example a 3 000 pound elephant who signed books at Marshall Field's in 1944 The Bookshop is a love letter to bookstores a charming chronicle for anyone who cherishes these sanctuaries of literature and essential reading to understand how these vital institutions have shaped American life and why we still need them

The Trade in Rare Books and Manuscripts between Britain and America c. 1890-1929 Danielle Magnusson, Laura Cleaver, 2022-09-08 This Element examines the trade in rare books and manuscripts between Britain and America during a period known as the Golden Age of collecting Through analysis of contemporary press reports personal correspondence trade publications and sales records this study contrasts American and British perspectives as rare books passed through the commercial market The aim is to compare the rhetoric and reality of the book trade in order to assess its impact on emerging cultural institutions contemporary scholarship and shifting notions of national identity By analysing how markets emerged dealers functioned and buyers navigated the market this Element interrogates accepted narratives about the ways in which major rare book and manuscript collections were formed and how they were valued by contemporaries

A Catalogue of Books Printed in the Fifteenth Century Now in the Bodleian Library Bodleian Library, Alan Coates, 2005 The Bodleian's incunabula catalogue describes the Library's fifteenth century western printed books to the same standards expected in the best modern catalogues of medieval manuscripts It records and identifies all texts contained in each volume and the detailed analysis of the textual content is an innovative feature Further information about authors editors translators and dedicatees is given in an extensive index of names complete with

biographical and other information this index will be of interest to textual scholars from the classical period to the renaissance The detailed descriptions of the copy specific features of each book the binding hand decoration and hand finishing marginalia and provenance form another important contribution to scholarship The provenance index will be of great value to all those interested in the history of the book from the 1450s to the present day *Proceedings of the American Antiquarian Society* American Antiquarian Society,1929 Bluffing Texas Style Michael Vinson,2020-03-26 In 1989 a woman fishing in Texas on a quiet stretch of the Colorado River snagged a body Her catch was the corpse of Johnny Jenkins shot in the head His death was as dramatic as the rare book dealer s life which read as the Austin American Statesman declared like a bestseller In 1975 Jenkins had staged the largest rare book coup of the twentieth century the purchase for more than two million dollars of the legendary Eberstadt inventory of rare Americana a feat noted in the New York Times and the Wall Street Journal His undercover work for the FBI recovering rare books stolen by mafia figures had also earned him headlines coast to coast as had his exploits as Austin Squatty playing high stakes poker in Las Vegas But beneath such public triumphs lay darker secrets At the time of his death Jenkins was about to be indicted by the ATF for the arson of his rare books warehouse and offices Another investigation implicated Jenkins in forgeries of historical documents including the Texas Declaration of Independence Rumors of million dollar gambling debts at mob connected casinos circulated along with the rumblings of irate mafia figures he d fingered and eccentric Texas collectors he d cheated Had he been murdered Or was his death a suicide staged to look like a murder How Jenkins a onetime president of the Antiquarian Booksellers Association of America came to such an unseemly end is one of the mysteries Michael Vinson pursues in this spirited account of a tragic American life Entrepreneur con man connoisseur forger and self made hero Jenkins was a Texan who knew how to bluff but not when to fold **The American Antiquarian and Oriental Journal** Stephen Denison Peet,1888
