jungle The world will be inhuman Religion touches all aspects of human life Identifying God's will in our world today has
become a major problem for many religions of the world In the past in Igbo Traditional Religion human sacrifice as well as
the killing of twins were practised For the Igbo traditionalists then that was the will of the deities and equally not against
God's will But following the encounter of Igbo Traditional Religion with Christianity these are no longer practised
Misinterpretation of God's will by some religions of the world has given rise to religious violence religious extremism
fanaticism and terrorism we are experiencing today in the world For these problems to be resolved it is pertinent that the
study of various religions be taken seriously This study should be aiming at better understanding co-existence respect for one
another and frequent inter religious dialogues among the various religions of the world When this is achieved the believers of

they may approach Him differently
