

The background of the book cover is a classical painting. It depicts a woman with long, wavy, reddish-brown hair, looking upwards and to the right. A small, dark, leafy branch with a red flower is tucked behind her ear. In the upper right, a man's face is visible, looking down at her. He has light skin and is wearing a green garment. The background of the painting shows dark, dense foliage and a glimpse of a blue sky.

Varner,2007-10-14 Today the majority of humankind worships a single God Although this God is said to be all loving and wanting peace for his worshippers there is very little peace among the three religions based on common theology Judaism Christianity and Islam all foster hatred for one another causing millions of deaths and untold suffering for hundreds of years This book explores the mythic historical and archaeological record to illustrate the history of these conflicts The Gods of Man also looks at how monotheism eventually dominated and destroyed the ancient and peaceful goddess traditions that had existed for thousands of years before Is the God of today simply used to enforce government edicts justify war and to control society Gary R Varner has written several articles and books on ancient religions folklore and mythology He is a
