Dictionary Of Obscure Sorrows:

The Dictionary of Obscure Sorrows John Koenig, 2021-11-16 Poetically defining emotions we all feel but don't have the words to express the creator of the popular online project of the same name invites readers on his epic quest to fill the gaps in the language of emotion

Grandiloquent Words Jason Travis Ott, 2023-11-07 This recondite caboodle of glosses panegyricizes the boggles of our palaver Words confirm and deny guarantee and deceive elucidate and obfuscate The more words you know the better you can express yourself and the more you can do in life The founder of Grandiloquent Word of the Day accordingly presents a voluptuary of verbiage encompassing rare and obscure terms that confound or delight antiquated argot from myriad epochs and lexemes for venturesome bibliophiles Featuring a short insightful introduction Grandiloquent Words offers more than 250 preternatural terminologies for you to ingurgitate and brandish with aplomb for countless occasions Bask in cataracts of mundane morphemes bookish locutions beef witted blatteroons corporeal catastrophes playful patois and jolly jubulations These always extra expressions encompass timeless topics and modern phenomena painting a group portrait of our foibles and joys Replete with pronunciations etymologies examples and whimsical illustrations it will edify and entertain This rare collection of definitions celebrates the marvels of our language

Horrifying Children Lauren Stephenson, Robert Edgar, John Marland, 2024-03-07 Horrifying Children examines weird and eerie children's television and literature via critical analysis memoir and autoethnography There has been an explosion of interest in the impact of children's television and literature of the late twentieth century In particular the 1970s 80s and 90s are seen as decades that shaped a great deal of the contemporary cultural landscape Television of this period dominated the world of childhood entertainment drawing freely upon literature and popular culture like the Garbage Pail Kids and Stranger Things and much of it continues to resonate powerfully with the generation of cultural producers fiction writers screenwriters directors musicians and artists that grew up watching the weird the eerie and the horrific the essence of 21st century Hauntology In these terms this book is not about children's television as it exists now but rather as it features as a facet of memory in the 21st century As such it is the legacy of these television programmes that is at the core of Horrifying Children The haunting of adults by what we have seen on the screen is crucial to the study This collection directly addresses that which scared us in the past inasmuch as there is a correlation between individual and collective cultural memory with some chapters providing an opportunity for situating existing explorations and understandings of Gothic and Horror TV within a hauntological and experiential framework

High and Dry Sasmit Powale, 2019-06-20 Freedom Have we really achieved it Or does it remain an illusion Suffocating and stagnant Who dictates our destinies How pure are their intentions Is there liberation Max is a twenty one year old literature teacher who wants to take you back to his college days a time where he and his friends Akhil Sam Jhanvi and Kunal a marijuana smoking bunch of good for nothing teenagers with superpowers were studying mass media in a suburban college in Mumbai Their lives are unwittingly caught between two political

revolutions the 2014 Indian General elections and 2016 US Elections as they chase their pleasures and ambitions But things are never that easy are they Reality seeps into their paradise and begins to rot it What will happen when they encounter the murky truth about the world and a murkier truth about themselves When they see the puppeteer and his strings will they choose to cut the strings or replace him Around the world nineteen something year olds are on the frontlines of war against moral degradation of the world and this is a story about it *Called2B* Travis Guse,2024-03-04 Who am I Why am I here What is my purpose How can I make a more significant impact All these questions have to do with the topic of vocation Vocation is more than what one does for a living in terms of one s career Vocation is a lens that helps believers see the larger story of who they are regarding their calling with God through faith in Jesus and how they are now called to love and serve their neighbors through their everyday callings Everyday believers seeking purpose and meaning in their lives will find this book helpful in empowering them to discover and live out their authentic calling in Christ in their daily lives It will help them deepen their awareness of their ultimate identity in Christ and better discern their unique identity of God s workmanship It also can help believers develop an empowerment plan to practice good self care so that they can show up at their best in their daily callings Finally coaching can empower people to make a more significant kingdom impact in their different stations of life Family Church Lifework and Society **New Frontiers in Pragmalinguistic Studies** Alessandro

Capone,Roberto Graci,Pietro Perconti,2025-01-29 This book contains a comprehensive view of pragmalinguistic studies and their recent ramifications boasting some of the most advanced recent research in pragmatics Organised into three sections pragmalinguistics social pragmatics and cognitive inferential pragmatics respectively the chapters enable an understanding of the possible applications of linguistic and philosophical theories in practical fields Covering topics such as polysemy across languages and lexical externalism the role of literal meaning in the construction of metaphorical meaning the pragmatics of truth the roles of reflexivity in meaning negotiation argumentation and discourse the pragmatics of taboo linguistic and cognitive aspects of formation of implicates and reflections on neuropragmatics and clinical pragmatics in Autism Spectrum Disorder and Schizophrenia to name but a few exciting areas of exploration this book is of interest to scholars and postgraduate students in the fields of semantics pragmatics and philosophy of language cognitive science and other areas of linguistics
