Dictionnaire Expressions Juridiques Henri Roland

Brendan G. Carr

Dictionnaire Expressions Juridiques Henri Roland:

Comparative Legal Linguistics Heikki E.S. Mattila, 2024-11-01 This book examines legal language as a language for special purposes evaluating the functions and characteristics of legal language and the terminology of law Using examples drawn from major and lesser legal languages it examines the major legal languages themselves beginning with Latin through German French Spanish and English This second edition has been fully revised updated and enlarged A new chapter on legal Spanish takes into account the increasing importance of the language and a new section explores the use in legal circles of the two variants of the Norwegian language All chapters have been thoroughly updated and include more detailed footnote referencing The work will be a valuable resource for students researchers and practitioners in the areas of legal history and theory comparative law semiotics and linguistics **Guide des archives judiciaires et pénitentiaires : 1800-1958** Jean-Claude Farcy, 1992-01-01 T00:00:00+01:00 L auteur de ce travail a prospecté méthodiquement les sources conservées tant aux Archives nationales et départementales qu'aux archives militaires Ce recensement permettra un accès aisé aux documents qui restaient jusqu'à présent dispersés dans tous ces fonds Copyright Electre **La sécurité civile dans les États de la Communauté économique et monétaire de l'Afrique centrale (CEMAC).** Patrice Emmanuel Ngolle III, 2018 La 4^e de couv indique Le nouveau formalisme juridique ouvre des perspectives de recherche vers l'innovation juridique pour relever les défis que posent les catastrophes Il faut des nouvelles normes des nouvelles représentations des systèmes de droit Claude Lienhard soulignait qu'il s'agit de penser et de classer autrement Le nouvel ordonnancement que nous percevons impliquera certainement un prix payer du point de vue de l'orthodoxie juridique Référence est donc faite au recours à l'innovation dans la mesure où le domaine du traitement des risques collectifs invite à raisonner selon un ordre juridique beaucoup plus complexe que l'ordre traditionnel identifiant l'État unifié stable et hiérarchisé Dans un contexte d'interdépendance l'ordonnancement des normes de sécurité civile appelle à tenir compte des niveaux nationaux infra régionaux et internationaux Il reste toutefois que la coproduction de sécurité ne se déroule pas elle-même sans une franche organisation Quoi qu'il en soit c'est au prix d'une analyse des structures internes en comprenant leur univers propre leur degré d'accomplissement et leurs outils spécifiques mais également les divergences qui les opposent et l'appui mutuel qu'ils peuvent s'apporter que l'on pourra espérer atteindre en pratique une gouvernance satisfaisante des nouveaux risques Researching Language and the Law Davide S. Giannoni, Celina Frade, 2010 This volume reflects the latest work of scholars specialising in the linguistic and legal aspects of normative texts across languages English Danish French Italian Spanish and law systems Like other domains of specialised language use legal discourse is subject to the converging pressures of internationalisation and of emerging practices that destabilise well established norms and routines In an integrated interdependent context supranational laws rules and procedures are gradually developed and harmonised to regulate issues that can no longer be dealt with by national laws alone as in the case of the European Union

The contributors discuss the impact of such developments on the construction evolution and hybridisation of legal texts analysed both linguistically and from the practitioner's standpoint

Romanische Phraseologie und Parömiologie Joachim Lengert, 1999

Institutions judiciaires Henri Roland, Laurent Boyer, 1982-12-31T23:00:00+01:00 L'ouvrage outre ses qualités primitives de clarté de précision et de densité présente l'avantage majeur d'être jour au 15 septembre 1983 On y trouve en effet un exposé complet de toutes les grandes formes qui en quelque deux ans ont passablement modifié le système judiciaire français tant dans le domaine civil que dans le domaine pénal et administratif restructuration de la Cour de cassation refonte des conseils de prud'hommes création de chambres régionales des comptes remplacement des tribunaux permanents des forces armées et de la Cour de sûreté de l'État par des formations spécialisées fonctionnant dans le cadre des juridictions de droit commun abolition de la peine de mort et apparition de nouvelles peines le travail d'intérêt général et le jour-amende etc De plus une large place est faite aux données statistiques relatives au volume du contentieux l'état des effectifs au nombre des juridictions et une série de tableaux facilitent la compréhension de l'organigramme juridictionnel et des mécanismes judiciaires Bref un ouvrage d'une incontestable utilité aussi bien pour l'étudiant qui a besoin d'une vue de synthèse que pour le praticien qui s'essouffle à suivre une actualité législative et réglementaire plus insaisissable et imprévisible que jamais

La sécularisation de la répudiation Abba Koumdadji, 2016-09-02 Fille femme musulmane ou pousse la femme musulmane intrigue et représente un sujet de perpétuel questionnement Les amalgames et les aprioris sont nombreux en ce qui la concerne et par voie de conséquence l'appréhension de l'islam s'effectue souvent par ce seul prisme S'intéresser à la répudiation musulmane c'est s'intéresser à la femme musulmane et à l'islam au sein du couple D'origine essentiellement religieuse la répudiation est la rupture unilatérale et discriminatoire du mariage décidée par l'homme En droit musulman elle permet au mari de mettre un terme à la relation maritale sans avoir à se justifier En France cette institution est critiquée et même rejetée tant elle paraît transgresser la civilisation européenne Pourtant y regarder de plus près la rupture unilatérale et discriminatoire du couple existe également en droit français avec le divorce pour altération définitive du lien conjugal ou la rupture unilatérale s'agissant du PACS et du concubinage Alors que la répudiation ne peut être mise en œuvre que par l'homme les ruptures unilatérales résultant du droit français peuvent être décidées par l'homme ou la femme Toutefois fondamentalement les effets sont les mêmes l'un d'eux l'autre subit Refuser de reconnaître l'existence de modes de ruptures unilatérales et discriminatoires c'est faire preuve de cynisme Sous couvert de liberté individuelle nombre de conjoints de partenaires et de concubins sont répudiés par la volonté d'un seul Dans ce cas et comparativement pourquoi les répudiations musulmanes sont-elles si décriées Peut-on avoir une position critique à l'égard de la répudiation musulmane lorsqu'il existe au sein même de son dispositif législatif des modes de ruptures ayant une très forte filiation avec la répudiation musulmane
