in Hell says Bruce Jackson is the spirit behind the sixty five work songs gathered in this eloquent dispatch from a brutal era of prison life in the Deep South Through engagingly documented song arrangements and profiles of their singers Jackson shows how such pieces as Hammer Ring Ration Blues Yellow Gal and Jody s Got My Wife and Gone are like no other folk music forms they are distinctly African in heritage diminished in power and meaning outside their prison context and used exclusively by black convicts The songs helped workers through the rigors of cane cutting logging and cotton picking Perhaps most important they helped resolve the men s hopes and longings and allowed them a subtle outlet for grievances they could never voice when face to face with their jailers 366 A Leap Year Haiku , Alan D Parker was challenged to write a year s worth of Haiku Taking inspiration from the classical world and observations from the world around him this book is the result of his tremendous achievement Haiku with its 5 7 5 syllable pattern is a Japanese form of poetry traditionally reserved for the admiration of the natural world The beauty of Haiku itself inspired Alan to keep the discipline but break with tradition and expand into all subjects **Finding You** Leonard Dabydeen,2021-11-04 The information about the book is not available as of this time
