Case Histories In International Politics 6th Edition:

Teaching International Relations Scott, James M.,Carter, Ralph G.,Jolliff Scott, Brandy,Lantis, Jeffrey S.,2021-08-27 This comprehensive guide captures important trends in international relations IR pedagogy paying particular attention to innovations in active learning and student engagement for the contemporary International Relations IR classroom

Handbook of International Relations Walter Carlsnaes,Thomas Risse,Beth A Simmons,2012-09-18 The original Handbook of International Relations was the first authoritative and comprehensive survey of the field of international relations In this eagerly awaited new edition the Editors have once again drawn together a team of the world s leading scholars of international relations to provide a state of the art review and indispensable guide to the field ensuring its position as the pre eminent volume of its kind The Second Edition has been expanded to 33 chapters and fully revised with new chapters on the following contemporary topics Normative Theory in IR Critical Theories and Poststructuralism Efforts at Theoretical Synthesis in IR Possibilities and Limits International Law and International Relations Transnational Diffusion Norms Ideas and Policies Comparative Regionalism Nationalism and Ethnicity Geopolitics in the 21st Century Terrorism and International Relations Religion and International Politics International Migration A truly international undertaking this Handbook reviews the many historical philosophical analytical and normative roots to the discipline and covers the key contemporary topics of research and debate today The Handbook of International Relations remains an essential benchmark publication for all advanced undergraduates graduate students and academics in politics and international relations

Theories of International Relations Siegfried Schieder,Manuela Spindler,2014-05-23 This book is a comprehensive guide to theories of International Relations IR Given the limitations of a paradigm based approach it sheds light on eighteen theories and new theoretical perspectives in IR by examining the work of key reference theorists The chapters are all written to a common template The introductory section provides readers with a basic understanding of the theory s genesis by locating it within an intellectual tradition paying particular attention to the historical and political context The second section elaborates on the theory as formulated by the selected reference theorist After this account of the theory s core elements the third section turns to theoretical variations examining conceptual subdivisions and overlaps further developments and internal critique The fourth section scrutinizes the main criticisms emanating from other theoretical perspectives and highlights points of contact with recent research in IR The fifth and final section consists of a bibliography carefully compiled to aid students further learning Encompassing a broad range of mainstream traditional theories as well as emerging and critical perspectives this is an original and ground breaking textbook for students of International Relations The German edition of the book won the Geisteswissenschaften International Prize collectively awarded by the Fritz Thyssen Foundation the German Federal Foreign Office and the German Publishers Booksellers Association

An Introduction to World Politics Richard Oliver Collin,Pamela L. Martin,2012-08-02 This book written for introductory level students of global politics

examines the connections and conflicts among peoples on our planet and relates them in a personalized way While other world politics texts examine the globe from a distance this text emphasizes the voices of
Telling the EU's Story by Others Yifan Yang,2019-09-25 China is one of the first few non EU member states to be covered by the Jean Monnet Programme By studying its implementation in China through interviews with EU officials Chinese professors and college students who were and are involved in the program *Telling the EU's Story by Others* The Jean Monnet Programme and European Union Public Diplomacy enables a better understanding of why and how it works in the Chinese context Furthermore this book on the role of the Jean Monnet Programme in EU public diplomacy adds first hand empirical material to the existing literature on public diplomacy implementation through educational programmes **Small States, Russia and the West** Eduard

Abrahamyan,2025-05-15 This book offers an in depth investigation of the contemporary geopolitics of the Caucasus through a multi level analysis of regional political transformations It delves into the contrasting foreign policies of small states in the Caucasus in response to the Russian interventions in Georgia in 2008 and Ukraine in 2014 and 2022 which marked Russia's return as an order forming power challenging the agenda of Euro Atlantic integration The author expands and adapts Constellation Theory to examine emerging non Western regional orders using a relational polarity framework to argue that the choices of Armenia Azerbaijan and Georgia are not merely products of Russian or Western influence but are shaped by each state's unique geocultural propensities distinct asymmetric relationships with divergent power poles and differing perceptions of reality This book enriches the emerging discourse on the regional complexities of the multipolar world order with multifaceted interpretations of politics and decision making through its nuanced regional focus and innovative theoretical grounding It contributes significantly to International Relations theory geopolitics small states and area studies offering invaluable insights into small state foreign policy dynamics in the age of rising global multipolarity Pursuing Sustainable Development Goals Billur Engin Balın,H. Dilara Mumcu Akan,Ferda Karagöz Özenç,Özcan Garan,2024-05-15

Approaches to Corporate Social Responsibility Stefan Markovic,Adam Lindgreen,Nikolina Koporcic,Milena Micevski,2023-08-25 Following recent growth of ethical consumerism customers and other stakeholders increasingly pressure organizations to be socially responsible and minimize their negative impact on the environment Accordingly a plethora of firms have integrated corporate social responsibility CSR at the center of their business strategies and actions Whilst this has resulted in many firms meeting their broader responsibilities toward society and the environment some firms have used CSR in a manipulative and insincere way As stakeholders become aware of such misuse of CSR largely thanks to the rapid evolution of information technologies they start to penalize firms by spreading negative word of mouth about them and specifically about their CSR knowledge values and actions Now more than ever before stakeholders are increasingly critical and cautious in their assessments of firms CSR knowledge values and actions On this background this edited volume sheds light on different internal and external perspectives spanning CSR knowledge values and actions It shares theoretical

practical and case based insights on the broader topic and can be of interest to researchers academics practitioners and advanced students in the fields of CSR and business ethics knowledge management strategy and marketing *Economic Coercion And U.s. Foreign Policy* Sidney Weintraub,2019-03-01 Why do governments and especially the U S government so frequently attempt to use economic means to coerce other countries on a one on one basis when critics almost universally argue that such pressure rarely works This question forms the basis of discussion for Professor Weintraub and seven graduate students at the Lyndon B Johnson School of Pu Understanding U.S.-Latin American Relations Mark Eric Williams,2012-05-22 This book examines U S Latin American relations from an historical contemporary and theoretical perspective By drawing examples from the distant and more recent past and interweaving history with theory Williams illustrates the enduring principles of International Relations theory and provides students the conceptual tools required to make sense of inter American relations It is a masterful guide for how to organize facts think systematically about issues weigh competing explanations and confidently draw your own conclusions regarding the past present and future of international politics in the region
