## **Dark Moon Apollo And The Whistle Blowers:**

Dark Moon Mary Bennett, David S. Percy, 2001 As the dust settles on the 30th anniversary of Apollo 11 information is now coming to light that throws into serious doubt the authenticity of the Apollo record New evidence clearly suggests that NASA hoaxed the photographs taken on the surface of the Moon These disturbing findings are supported by detailed analysis of the Apollo images by professional photographer David S Percy ARPS and physicist David Groves PhD The numerous inconsistencies clearly visible in the Apollo photographic account are quite irrefutable Recent research indicates that the errors evidenced in DARK MOON were deliberately planted by individuals determined to leave clues to the faking in which they were unwillingly involved DARK MOON is the answer to the question did the Apollo missions really land a man on the Moon and return him alive and well to Earth or is the record incorrect      **World Transformation** Jawara D. King, 2007-06 Courage on Bataan and Beyond is a comprehensive story about Abel F Ortega s life during the Bataan Death March and Japanese imprisonment written by his son Abel will take the reader with him from his childhood days when he would sit in a rocking chair and dream about the Far East to defending the Bataan Peninsula in a last ditch effort to keep the Japanese from taking the Philippines Abel narrates how his family s prayers and his faith in God helped him to survive the infamous Bataan Death March three and a half years as a POW and two Hell Ship Voyages This book will evoke both laughter and tears as one follows Abel from captivity to liberation In his three and a half years as a POW he endured near starvation hard labor torture and the indescribable and inhumane cruelty from his captors before being set free August 15th 1945 There were very few POW s who survived the Japanese brutality of Bataan and their following captivity and of these not many are still with us Today at 85 Abel feels his story needs to be told so that the brave soldiers of Bataan will not be forgotten once again      *The Greatest Lie on Earth* Edward Hendrie, 2016-01-17 This book reveals the mother of all conspiracies It sets forth biblical proof and irrefutable evidence that will cause the scales to fall from your eyes and reveal that the world you thought existed is a myth The most universally accepted scientific belief today is that the earth is a globe spinning on its axis at a speed of approximately 1 000 miles per hour at the equator while at the same time it is orbiting the sun at approximately 66 600 miles per hour All of this is happening as the sun in turn is supposed to be hurtling through the Milky Way galaxy at approximately 500 000 miles per hour The Milky Way galaxy itself is alleged to be racing through space at a speed ranging from 300 000 to 1 340 000 miles per hour What most people are not told is that the purported spinning orbiting and speeding through space has never been proven In fact every scientific experiment that has ever been performed to determine the motion of the earth has proven that the earth is stationary Yet textbooks ignore the scientific proof that contradicts the myth of a spinning and orbiting globe Christian schools have been hoodwinked into teaching heliocentrism despite the clear teaching in the bible that the earth is not a sphere and does not move This book reveals the evil forces behind the heliocentric deception and why scientists and the Christian churches have gone along with it      **Anti-Gravity and the Unified Field** David Hatcher

Childress,1998-03 Explored here is how gravity electricity and magnetism manifest from a unified field around us why artificial gravity is possible secrets of UFO propulsion free energy Nikola Tesla and anti gravity airships of the 20s and 30s flying saucers as superconducting whirls of plasma anti mass generators vortex propulsion government cover ups gravitational pulse drive spacecraft and more **Moon Hoax: Debunked!** Paolo Attivissimo,2013-10-13 A no nonsense fact filled debunking of all the main Moon hoax conspiracy theories collected in a single book If you re an open minded doubter you ll find technically accurate but plain English answers to your questions if you re a space enthusiast or professional you ll find a handy reference for dealing with the most obstinate hoax believers and for clarifying popular objections and misconceptions about the Moon landings Moon Hoax Debunked is also an opportunity to rediscover and celebrate one of mankind s greatest voyages which doesn t need conspiracy theories to be a fascinating adventure For example did you know how close to failure each flight actually came Did you know that pictures of Playmates were smuggled to the Moon to prank the astronauts Or that there was a secret Soviet plan to land a Russian on the Moon before the US Paolo Attivissimo is a British Italian science journalist lifelong space enthusiast and contributor to NASA s Apollo Lunar Surface Journal

**Through Astronaut Eyes** Jennifer K. Levasseur,2020-06-15 Featuring over seventy images from the heroic age of space exploration Through Astronaut Eyes presents the story of how human daring along with technological ingenuity allowed people to see the Earth and stars as they never had before Photographs from the Mercury Gemini and Apollo programs tell powerful and compelling stories that continue to have cultural resonance to this day not just for what they revealed about the spaceflight experience but also as products of a larger visual rhetoric of exploration The photographs tell us as much about space and the astronauts who took them as their reception within an American culture undergoing radical change throughout the turbulent 1960s This book explores the origins and impact of astronaut still photography from 1962 to 1972 the period when human spaceflight first captured the imagination of people around the world Photographs taken during those three historic programs are much admired and reprinted but rarely seriously studied This book suggests astronaut photography is particularly relevant to American culture based on how easily the images were shared through reproduction and circulation in a very visually oriented society Space photography s impact at the crossroads of cultural studies the history of exploration and technology and public memory illuminates its continuing importance to American identity **Alien Intelligence and the Pathway to Mars** Mary Bennett,2021-05-04 Details how exploratory probes sent to Mars in the 1970s triggered a plethora of anomalous events particularly crop circles glyphs and how these events are messages from ET intelligence to help us send a human mission to Mars Reveals how the anomalous Cydonia region of Mars fits the Golden Ratio Spiral and looks at links between Martian formations and Earth s ancient sites Illustrated throughout with color photographs maps and diagrams In this full color study based on 25 years of research Mary Bennett explores the ancient and modern connections between Mars and Earth as well as how extraterrestrial intelligences are trying to assist us in constructing a viable

spacecraft to take a human crew swiftly and safely to Mars She details how exploratory probes sent to Mars in the 1970s triggered over three decades of anomalous yet scientifically validated events including crop circles or crop glyphs She explains how these formations along with related events encode advanced engineering concepts that offer solutions to the fundamental problems presently hindering long haul crewed spaceflight whether to the Moon Mars or beyond Looking at the red planet itself the author reveals the scientifically verifiable evidence pointing to intelligent design on the surface of Mars specifically in the Cydonia region which fits the Golden Ratio Spiral She looks at the covert links between the Martian formations and Earth s ancient sites such as the Avebury landscape in England and the Giza Complex She describes how agencies concerned with space travel have been quietly mirroring areas of Mars through construction projects here on Earth revealing that many of the ET messages have already been partially decoded Taking you from a complex on Mars to the Teotihuac n pyramids in Mexico from phi ratios to the Pentagon from the Great Pyramid to quantum computing this exploration of the hidden influence of Mars shows that our abilities as a future space faring species began in the ancient past and are now coming to fruition     Revelations Brian Rappert,2024-12-16 From tabloid headlines to scientific discoveries to investigative documentaries the claim that truth is being revealed is commonplace today Such attention grabbing claims can conjure allure sell products launch careers cement authority and much more besides And yet despite the familiarity of revelation talk this notion has been subject to limited academic theorizing to date outside of matters divine Revelations sets out to examine how the making available through revealing is accomplished as well as the implications of revealing In other words it is concerned with how revelations are realized and what is realized through them Central to the argument will be treating attempts to make available as processes that can entail mix that is as processes that combine treating truth as publicly demonstrable but also as beyond simple verification as alternately intelligible but also as unknowable In taking the pervasive appeal to revealing as its topic and through drawing inspiration from a range of disciplines this book should appeal to a variety of audiences including those interested in secrecy conspiracy expertise celebrity science and technology
