Canoeing Down Everest:

Canoeing Down Everest Mike Jones, 2009 A British canoeist and adventurer was thought eccentric as he announced his intention to canoe down the precipitous eighty miles of the Dudh Kosi the highest river in the world *Flying Off Everest* Dave Costello, 2014-05-06 Perched impossibly on a ridge overlooking a 10 000 foot drop into Tibet Sano Babu Sunuwar and Lakpa Tsheri Sherpa wait Heel to toe connected at the waist by a pair of carabineers that s connected to nothing else they stare down the North Face of Mount Everest a red and white nylon tandem paragliding wing fluttering behind them They know that jumping off the top of the world marks only the beginning of a longer more audacious journey And they know that the two mile ride down Everest will be the easiest part If the jump doesn t kill them In April 2011 the two unsponsored Nepalis set out on an unprecedented expedition to climb Everest paraglide from its peak and paddle nearly 400 miles to the ocean Little problems wouldn t stop them Like the fact that Babu had no technical climbing experience And that Lakpa had never been kayaking or swimming But after summiting surviving their flight off the world s tallest mountain and being arrested robbed and nearly drowned repeatedly the two friends discovered their adventure had only just begun *Idleness, Water, and a Canoe* Jamie Benidickson, 1997-01-01 This book describes the cultural significance of two centuries of recreational paddling in Canada illustrating through contemporary interviews and published sources what the experience of canoeing has meant to the sport s participants Torrents As Yet Unknown Wickliffe W. Walker, 2024-09-03 Will have river veterans nodding in agreement and surprise I loved the journey Doug Stanton author of the 1 New York Times bestseller *Horse Soldiers* An important contribution to the literature of exploration This book had my pulse racing Peter Heller author of *The Dog Stars* and *The River* A dramatic narrative tour of 10 of the world s most incredible whitewater adventures spanning 5 continents and 40 years guided by a legendary whitewater trailblazer This fascinating history of daring whitewater explorers stands alongside classic works on mountaineering outdoor survival and extreme sports Perfect for fans of Jon Krakauer s *Into Thin Air* and Candice Millard s *River of the Gods* In 10 thrilling real life adventure stories pioneering whitewater explorer Wick Walker examines what lured a generation of incredibly daring pioneers into some of Earth s most wondrous yet forbidding river canyons below Victoria Falls on the Zambezi the Great Bend of the Tsangpo in Tibet Tiger Leaping Gorge on the Yangtze the flanks of Mount Everest and more Loaded with great moments and personal stories Walker details what these adventurers found there and within themselves The extraordinary characters driven by different motives and visions but united by their compulsion to seek the unknown and the pulse of free flowing water are as remarkable as the daunting geography and conditions they confront Whitewater sport today stands side by side with mountaineering in participation and public attention yet it has lagged in generating its own literature Torrents As Yet Unknown helps fill that gap for readers interested in human drama played out against great natural challenges Mountaineering history is deep and its literature rich but whitewater adventurers approach and experience the same forbidding terrain from a different vantage

between the steep walls of their canyons and atop powerful torrents of cascading water *A Pleasant Stroll To Everest* Jim Finnerty, 2011-08-22 This is an adventure travel book based on my best friends mid life crisis of needing to see Mount Everest up close and personal a trek which in a moment s madness I agreed to Taking a light hearted look at the trials and tribulations we faced in preparation achieving our aim and the aftermath while providing an insight into the magnificent beauty of the Himalayas its history and our own Australian background It s about discovery fun friendship and enjoying every day and I hope anyone reading this book enjoys the tale half as much as I enjoyed writing it *Eskimo Rolling* Derek C. Hutchinson, 1988 Offering complete coverage of one of the most important kayaking skills this guide to the self rescue technique known as Eskimo rolling is a must have for kayakers at all levels The Eskimo roll is a fundamental and essential skill allowing a solo kayaker to right a capsized boat without leaving the cockpit and Derek Hutchinson is the master Copyright Libri GmbH All rights reserved Canoeing a Continent Max Finkelstein, 2005-03-21 A highly personal account of the travels of Max Finkelstein as he retraces some two hundred years later the route of Alexander Mackenzie the first European to cross North America 1793 Mackenzie s water trail is now commemorated as the Alexander Mackenzie Voyageur Route More than just a travelogue of a canoe trip across Canada this is an account that crosses more than two centuries It is an exploration into the heart and mind of Alexander Mackenzie the explorer and Max Finkelstein the Voyageur in Training Using Mackenzie s journals and his own journal writings the author creates a view of the land from two vantage points The author retraced the route of Alexander Mackenzie across North America from Ottawa through to Cumberland House Saskatchewan and paddled the Blackwater Fraser and Peace Rivers completing the trip in 1999 This route is the most significant water trail in North America and perhaps the world A must read for everyone who loves wild places and the magic of canoes Cliff Jacobson Outdoor Writer Consultant Past and present collide in this journey of discovery across the map of Canada Max craves the extremes He relishes in coping with what nature throws at him punishing himself to find his physical limits and experiencing firsthand the inherent dangers in such a voyage With Alexander Mackenzie as his guide and inspiration Max finds the strength to carry on against all odds to forge poignant historical and personal links in this incredible cross Canada paddling odyssey Becky Mason Artist and Paddler Chelsea Quebec Tourism in Garhwal Himalaya Harshwanti Bisht, 1994 Adventure Travels in the Himalaya John Angelo Jackson, 2005 Spans a period of sixty years of adventures in the Himalayan range The Last River Todd Balf, 2010-06-16 It was the ultimate whitewater adventure on the Mount Everest of rivers and the biggest challenge of their lives October 1998 an American whitewater paddling team traveled deep into the Tsangpo Gorge in Tibet to run the Yarlung Tsangpo known in paddling circles as the Everest of rivers On Day 12 of that trip the team s ace paddler one of four kayakers on the river launched off an eight foot waterfall and flipped He and his overturned kayak spilled into the heart of the thunderous freight training river and were swept downstream never to be seen again The Last River The Tragic Race for Shangri la is a breathtaking account of this ill fated

expedition a fascinating exploration of what propelled these kayakers to take on the seething big water and perilous Himalayan terrain of the deepest gorge on the planet This was the magical Shangri la of legend a 140 mile long canyon framed by 25 000 foot snowcapped peaks a place of unimaginable beauty called Pemako in ancient Buddhist texts that was rumored to contain mammoth waterfalls At the close of the twentieth century an end to end descent of the gorge filled the imaginations of some of the best boaters in the world who saw in the foam and fury of the Tsangpo s rapids the ultimate whitewater challenge For Wick Walker and Tom McEwan extreme whitewater pioneers best friends and trip leaders the Tsangpo adventure with Doug Gordon Olympic medal winning paddler Jamie McEwan Tom s brother and Roger Zbel was the culmination of a twenty five year quest Fueled by narratives of early explorers Walker and McEwan kept their dream alive and waited until the Chinese government opened the gorge to Westerners With financial backing from the National Geographic Society the group was finally good to go in 1998 Swollen to three times the size they had expected because of record rains and heavy snowmelt the Tsangpo lived up to its fearsome reputation On numerous occasions the team questioned whether to continue but chose to press forward The Last River probes beyond the extreme sports clich s and looks at the complex personal and intellectual reasons for the seemingly irresistible draw of Tibet s Great River For Walker Gordon Zbel and the McEwans husbands fathers friends and brothers the Tsangpo wasn t a run toward death but a celebration of life adventure and the thing that tied them to one another awe inspiring rivers The Last River is also a riveting journey to one of the world s wildest and most alluring places a thrilling book that invites us into the Himalayas of Jon Krakauer s classic Into Thin Air but from a totally new perspective on a historic river so remote that only the most hardy and romantic souls attempt to unlock its mysteries Visit www.randomhouse.com/features/lastriver
