Conall Christmas Novella Morna's Legacy:

Morna's Legacy Christmas Novella Collection Bethany Claire, 2017-11-09 Enjoy Christmas in Scotland and experience Morna's magic in these 3 delightful Christmas novellas. The collection includes *A Conall Christmas* A McMillan Christmas and *Morna's Magic Mistletoe*. These books were previously released as individual titles in the Morna's Legacy Series. *A Conall Christmas* It's Yuletide at Conall Castle. Adelle, a former socialite and serial dater, finds that her current age seems much older in the seventeenth century than it did in the twenty-first. She resigns herself to the fact that she will remain single for the rest of her days at least until an unexpected visitor arrives at the castle. Hew has spent the last twenty years all alone. When a winter storm causes him to seek shelter, he meets the first lass since his beloved Mae to make his heart flutter once again. Will he be able to release himself from his grief to allow another love into his life? *A McMillan Christmas* A Time For Second Chances. When the worst Christmas snowstorm of the century hits the Scottish Highlands, Harper knows she must seek shelter and is left with no choice but to take refuge in the one place she swore to never return: McMillan Castle, the home of the only man to ever break her heart. Christmas only reminds Camden of all he's lost. As he settles in for yet another holiday spent alone, he is stunned when his ex-girlfriend breaks into his home to escape the snow. Just as they begin to get reacquainted, Morna's meddling magic sends them back in time, and both are forced to reconsider what they thought they knew about the other. *Morna's Magic Mistletoe* Kenna accompanies Cooper hundreds of years into the future for a week of Christmas celebrations with the old witch Morna, but unexpected guests upend all of their holiday plans. When Malcolm bumps into old friends, he meets the first woman in years to stir something long neglected inside his heart. Time together ignites their passion for one another, but the undeniable truth that they live worlds apart threatens their bond. Will their new love for one another be enough to convince him to leave the life he's always known? *Love Beyond Magic* Bethany Claire, 2022-02-12 Is love enough to heal the pain of the past? Olivia Bailey and her sister know one thing for certain: they are in dire need of some time away from their normal work-driven lives. While their bakery business has served them well, neither realized just how strenuous running their own business would be. Eager for a change, the girls set off for a trip around Scotland. But things quickly go awry when an unlikely incident sends Olivia tumbling off the side of the Quiraing on the Isle of Skye. Rather than meeting her near-certain death, she opens her eyes to find herself transported through time and hidden away in a castle with two of the most damaged but handsome men she's ever laid eyes on. She knows she needs to find a way back home to her sister, but as time passes, Olivia realizes that the only way for her to find peace might just be to accept where fate has placed her. With friends among the castle's staff and their intriguing laird to keep her occupied, the heartache of being ripped away from the life she knew before begins to heal. However, despite Olivia's efforts to move forward, her troubles are far from over, and she may be in more danger than she ever could have imagined. Paton Buchanan thought his sacrifice would mean something when he willingly stepped into the land of the fae to save his friend. Instead, the years

spent in their prison cost him and everyone he loved everything Once released Paton has nowhere to go but the home of his youth But overseeing his late father s land comes with its challenges and finding any semblance of happiness for himself seems unlikely until a strange lass from the future arrives and reminds him of the people he d once loved so much Her perpetual optimism and kindness make it easy for him to fall in love with her Slowly the hurt inside him begins to fade But her life belongs in the future and he knows he cannot ask her to sacrifice that for him Will his love for her be enough to convince her to stay or will he be forced to lose yet another person he loves And if she does stay do they have what it takes to keep one another safe from the outside threat that looms over them both
