Concise Writing

Name: _____

What is wordiness?

Wordiness is when a writer adds more words than necessary to get his or her point across. For example, a writer may say "In this day and age, teenagers are too reliant on cell phones." Instead, a writer should say "Now, teenagers are too reliant on cell phones." This revised sentence cuts 4 words and says exactly the same thing.

What is redundancy?

Redundancy is when a writer repeats the same idea. For example, a writer might say "I'm going to ask a question about redundancy." This word "redundant" implies that you are going to give a question. That writer should be writing "I'm going to ask about redundancy."
