Saints Alive! James Forsyth,2010-02 **Outlook** ,2008-10-13 **Smitten** Rodney Hessinger,2022-12-15 In Smitten Rodney Hessinger examines how the Second Great Awakening disrupted gender norms across a breadth of denominations The displacement and internal migration of Americans created ripe conditions for religious competition in the North Hessinger argues that during this time of religious ferment religious seekers could in turn play the missionary or the convert The dynamic of religious rivalry inexorably led toward sexual and gender disruption Contending within an increasingly democratic religious marketplace preachers had to court converts in order to flourish They won followers through charismatic allure and making concessions to the desires of the people Opening their own hearts to new religious impulses some religious visionaries offered up radical dispensations including new visions of how God wanted them to reorder sex and gender relations in society A wide array of churches including Methodists Baptists Mormons Shakers Catholics and Perfectionists joined the fray Religious contention and innovation ultimately produced backlash Charges of seduction and gender trouble ignited fights within and against churches Religious opponents insisted that the newly converted were smitten with preachers rather than choosing churches based on reason and scripture Such criticisms coalesced into a broader pan Protestant rejection of religious enthusiasm Smitten reveals the sexual disruptions and subsequent domestication of religion during the Second Great Awakening **Augustine and Politics** John Doody,Kevin L. Hughes,Kim Paffenroth,2005-04-19 The study of Augustine s political teachings has suffered from a history of misreadings both ancient and modern It is only in recent years that the traditional lines of Augustinian pessimism have been opened to question Scholars have begun to explore the broader lines of Augustine s political thought in his letters and sermons and thus have been able to place his classic text The City of God in its proper context The essays in this volume take stock of these recent developments and revisit old assumptions about the significance of Augustine of Hippo for political thought They do so from many different perspectives examining the anthropological and theological underpinnings of Augustine s thought his critique of politics his development of his own political thought and some of the later manifestations or uses of his thought in the Middle Ages the Renaissance and today This new vision is at once more bracing more hopeful and more diverse than earlier readings could have allowed **Queens of a Fallen World** Kate Cooper,2023-04-18 FINALIST THE CUNDILL HISTORY PRIZE 2023 The vibrant and surprising lives of the women in Augustine s Confessions While many know of Saint Augustine and his Confessions few are aware of how his life and thought were influenced by women Queens of a Fallen World tells a story of betrayal love and ambition in the ancient world as seen through a woman s eyes Historian Kate Cooper introduces us

to four women whose hopes and plans collided in Augustine's early adulthood his mother Monnica of Thagaste his lover his fiancée and Justina the troubled empress of ancient Rome Drawing upon their depictions in the Confessions Cooper skilfully reconstructs their lives against the backdrop of their fourth century society Though they came from different walks of life each found her own way of prevailing in a world ruled by men A refreshingly complex and compelling portrait of Augustine Queens of a Fallen World is the riveting story of four remarkable women who set him on course to change history

Christian Worship in Reformed Churches Past and Present Lukas Vischer, 2003 Worship renewal is now on the agenda of many Reformed churches as the need for adaptation and new approaches is acutely felt all over How can the church faithfully worship God in the midst of rapidly changing situations How can it constructively relate to widely differing cultural contexts What is its place in the wider ecumenical scene In preparing a sweeping survey of Reformed worship across time and place this volume provides some help to those engaged with vital questions like these Written by theologians and liturgical scholars from a wide range of churches and countries these chapters explore the history of Reformed worship on every continent from the sixteenth century to the present Surveying the most significant developments in the growth of Reformed worship the book identifies the major ingredients that make the Reformed worship tradition distinctive and highlights those aspects of Reformed worship that are particularly relevant to present efforts at renewal Indeed an important component of this book is the inclusion of A Common Reflection on Christian Worship in Reformed Churches Today the result of a major consultation in January 2001 at the International Reformed Center John Knox Revealing the rich variety of forms and diversity of perspectives that have made and do make up Reformed worship worldwide this volume will be a valuable resource for church and worship leaders both in and outside the Reformed family Contributors Horace T Allen Jr Emily R Brink Livingstone Buama Coenraad Burger Bruno Bräki Gerson Correia de Lacerda Alan D Falconer Kasonga wa Kasonga Baranite T Kirata Elsie Anne McKee Seong Won Park Ester Pudjo Widiasih Alan P F Sell Joseph D Small Bryan D Spinks Leonora Tubbs Tisdale Lukas Vischer Isaiah Wahome Muita Geraldine Wheeler Marsha M Wilfong John D Witvliet
