Condensed Gospel Betsy Nelson:

The Condensed Gospel Betsy Nelson, 2015-12-19 What is The Condensed Gospel Perhaps it is best to start by saying what this isn't It isn't a paraphrase It isn't a Bible study It isn't a new translation So what is it Simply stated this is the Gospel as one story with no repetition Nothing has been added and nothing has been taken out It has been created to help people understand the message of Jesus as efficiently as possible This is essential in a time when people communicate in tweets and texts In a world where people communicate in 140 characters at a time people simply don't have time to read all four Gospels Even if they took the time to read one they will miss important parts as there are stories that aren't in all of them This rendition solves that problem by putting everything in one place The Condensed Gospel is also important in a time where the message of Jesus has gotten muddled up with the words of others to the point where people aren't even following Jesus anymore Now more than ever we need to hear the words of Jesus clearly A Walk Through the Bible Betsy

Nelson, 2020-08-14 These aren't your average Bible essays Some essays are simply strings of verses that go together and tell a complete story but aren't in this order in the Bible Some ask more questions than they answer All are designed to open the eyes of your heart I believe that God wants us to use the minds we were given to wrestle with the words of the Bible so we can understand them fully These essays were written from April 2013 to July 2020 If you see NP after a date it means the item was not posted in my blog Otherwise you can find the original in betsybeadhead.com If there are any variations the printed version is preferred over the posted one I considered arranging the essays in order of the verses in the Bible but several use many different verses throughout the Bible So I sorted them by the date they were originally composed Some were added to in July 2020 when I was editing and updating them for publication Translations used include The Condensed Gospel copyright 2015 Betsy Nelson and The World English Bible WEB public domain **Nelson's Biographical**
