Conducting The Home Visit In Child Protection Social Work Pocketbooks:

Conducting the Home Visit in Child Protection Joanna Nicolas, 2015-09-16 FIVE STAR AMAZON REVIEWS for the first edition Every community practitioner caring for children and families should carry this book with them As a team manager for a social work team I think this is a great book that I will use with unqualified student and newly qualified social workers who are undertaking ALL home visits Overall a great resource that I predict will become my new bible Conducting a home visit is a fundamental part of a social worker's role but in practical terms many key issues are overlooked during social work training This is a practical guide to conducting home visits a task which many newly qualified social workers can feel unprepared for and which can be fraught with difficulties Useful features of this book include Real case examples based on practitioner's experiences Realistic solutions to the everyday difficulties you might face Examples of what to say Reference to the latest guidance including Working Together to Safeguard Children 2013 to ensure you are practicing in line with statutory requirements and expectations Guidance and support in understanding lessons learned recent child protection SCRs Written by an experienced social worker and expert in child protection this book is clear straightforward and jargon free It will be a useful aid to any professionals required to do home visiting The book addresses What you need to do to prepare for the visit How to get in the door What to do when you are in the home What you need to look out for Practical ways to implement lessons learned from recent serious case reviews I'd like to start by writing that this pocket book of fabulous knowledge is NOT just for social work in the child protection arena This book has so many wonderful hints and tips surrounding home visits in general that I recommend this book as a pocket friend for anyone who like me is daunted by the dreaded home visit This book is written from personal experiences and practice examples to aid consolidation and understanding Helpful thought provoking questions run throughout the book highlighting key areas to think about before and during a home visit Alongside these questions there are light bulb reminders to ensure that key points are easy to notice I feel this book excels in deconstructing the situations that we all panic over from aggressive dogs a child answering the door or even language barriers Additionally unlike most books this book can be dipped in and out of and does not need to be read from cover to cover Conducting a home visit in child protection not only contains written information but also contains diagrams practice examples transcripts check lists and a very useful glossary A must read for ANY social work student Newly Qualified or Practitioner Natalie Heath Social Work Student

EBOOK: The Pocketbook Guide to Working with Substance Users Kim Heanue, Chris Lawton, 2012-05-16 Kim Heanue is a Senior Lecturer in Social Work at the University of Huddersfield UK She previously worked for several years in substance misuse supporting adults with drug and alcohol problems Chris Lawton has significant experience of working in the Voluntary Sector and currently holds a management post in a substance misuse service Social workers are often faced with issues of substance misuse whether they work in children's services adult services or mental health This book offers a practical guide for social workers to refer to on a day to day basis

Useful features include Real case examples Reminder boxes and end of chapter checklists Points of law Handy reference guide to drugs and their effects Example questions to ask service users to elicit the information you need to know Written by authors with widespread experience in the profession this pocketbook will assist students and social workers in Understanding drug and alcohol misuse Assessing the risks Recognising how and when to intervene Liaising more effectively with drug treatment services This book forms part of a series of pocketbooks for social workers These compact guides are written in an accessible and to the point style to help the busy practitioner locate the information they need as and when they need it all bound up in A5 and under The pocketbooks explore key practical skills involved in such areas as mental capacity report writing and assessment This is an excellent resource for anyone working with families The useful concise guide to types of drugs their uses what they look like and what symptoms they cause is something to be referred to again and again The book also provides important reminders to encourage those working with adult substance misusers and those working with the children of drug misusing parents to work together and understand each other's roles Jane Bee Safeguarding Children Service Gloucestershire UK An essential read for anyone working with substance users or someone who just wants to learn more about the subject Heanue and Lawton have created an excellent source for any social work practitioner This book is a clear easy read with boxes in each section to highlight key points checklists and examples of practice Louisa Saunders Newly Qualified Social Worker

The Pocketbook Guide To Mental Health Act Assessments Claire Barcham, 2012-10-01 This pocketbook for Approved Mental Health Professionals AMHP is a useful guide not only for social workers but also those in the social care profession considering a route into AMHP and doctors It provides a quick reference tool for helping to conduct assessments and implement decisions quickly

Assessments In Social Work With Adults Aspinwall-Roberts, Elaine, 2012-05-01 This is an excellent addition to the pocket book series offering sound practical approaches to everyday assessments and real life examples on how to deal with problematic situations when working in Adult Social Care I thoroughly recommend this book both as a key text for students and reference guide for practitioners Liz Armitage Newly Qualified Social Worker

Assessments in Social Work is an engaging and informative read addressing key legal and practice issues in adult social care in a succinct manner It provides you with the tools to work creatively and collaboratively with service users even within the increasing bureaucracy of modern social work I would highly recommend it and feel that it offers both the newly qualified and more experienced practitioner with the knowledge and skills needed to function with confidence and effectiveness in their social work role Emma Cooper Social Worker This accessible survival guide shows social workers how to make their assessments the best most effective and person centred they can be Part of a new Social Work Pocketbooks series the book is friendly non patronising and realistic about the day to day difficulties and challenges associated with assessing adults It encourages you to reflect on how you work and what you bring to the task The book contains Practical examples advice and tips including dealing with pitfalls Good practice and point of law reminders

Fresh ideas on how to develop your assessment skills with adults Advice on working constructively with others in the field Helpful checklists at end of each chapter Written by an author with extensive experience in social work the book focuses on the person to person relationship in assessment and considers important areas such as Being well prepared Asking difficult questions Establishing trust and reducing anxieties Dealing with assessment problems The importance of you in communication and relationship building Assessment is at the heart of social work and this book will help you do the best assessment possible every time
