Does Meeting Repeat?	Weekly meetings will be established once we agree on a time due to time differences.
Location:	Meeting will be via zoom, link will be sent 20 minutes before start time.
Body:	During this meeting, we will go over the guidelines and the action plan, in addition to making introductions to the different teams. Throughout the duration of this meeting, we are going to have a discussion about a variety of the management strategies that I put into practice. When it comes to making decisions, I place a significant amount of weight on the input of the team because it will ultimately be up to you to put those decisions into effect. I am confident that this team, because of the wide variety of experiences that its members bring to the table, will be able to handle challenging circumstances in the industry that we are focusing on as well as in other international markets. This belief is based on the fact that each member of this team brings a unique set of experiences to the table. My availability is limited because I am a member of a team that is spread throughout the globe; nonetheless, I will make every effort in my capacity to answer your questions and keep you updated about the progress that we are making. It is imperative that you bring to my attention any issues or concerns that you may be going through at this time, as well as any upcoming vacations or events that will require you to take time off of work. Despite the fact that we have a predetermined holiday schedule, I am willing to accept your request to switch holidays if this is what you would prefer to do instead. Team chat and email are the most effective ways for us to connect with one another due to the varied time zones; nevertheless, in the event that I am unable to assist you, I will delegate a few other people who are able to do so.
