Confession: Doorway to Forgiveness Forest, Jim, 2012-10-22 The Faces of Forgiveness F. LeRon Shults, Steven J. Sandage, 2003-05-01 While forgiveness has historically been regarded as a religious concern it has also become a popular topic in contemporary psychology Unfortunately there has been little effort to combine a Christian understanding of forgiveness with psychology The Faces of Forgiveness winner of the Narramore Award from the Christian Association for Psychological Studies steps in to fill this void The authors fuse Christian forgiveness and psychology with the unifying motif of the face thereby building on the considerable psychological research linking emotions related to forgiveness with the human face At a deeper level the face can serve as a metaphor for integrating forgiveness wholeness and salvation The authors argue that forgiveness should take a central role in our understanding of salvation because it is warranted by the Bible and engages our postmodern context Pastors psychologists family counselors and students of psychology and theology will find The Faces of Forgiveness a helpful resource **Forgiveness: Promise, Possibility, & Failure** ,2020-05-18 This inter disciplinary collection explores the wealth of nuances surrounding the concept and practice of forgiving The essays within this work ask what it means to forgive what constitutes an appropriate space to forgive what is to be expected of the victim and wrongdoer what actions must be connected to political forms of forgiveness **Disturbed by Mind and Spirit** Gavin Knight, Joanna Knight, 2009-06-09 Offers a unique exploration of how mental health in a parish setting can be addressed via the dual perspectives of pastoral theology and clinical psychology *That's What Momma Said* Sis Diane, 2012-04-26 Do you remember those little nuggets of wisdom that your mom grandmother or nurturer would quote to you that left you either with a greater understanding or just wondering why she just didnt speak English Were you ever told A dog that brings a bone will carry a bone You dont have to like them but you do have to love them You have to crawl before you walk There are no mistakes only learning experiences If you dont think you are cute no one else will Thats the kind of person that will get you killed Stay in a childs place Did you scratch your head and wonder what it meant but as you grew older and reflected on those nuggets did you gain a better understanding of them You may have even found yourself repeating them to your friends and inevitably to your own children In this book you will gain even more nuggets of wisdom to reflect on and to share Come see what momma said ADDED BONUS From the Pen of Diane You will also be refreshed as you read short messages that seek to share insight encouragement and offer prayers of meditation From Test to Testimony Reconstructed From the Inside Out Do You See What You Missed Through the Midst of It All You Are SMART The Thief Within The Lie of the Bondage Wait on the Promise It Time For a Praise Break Come discover the spiritual insights hidden within the pages of these messages **Sermons** Rev.
