War Office. Library, 1913 The Spell of the Rhine Frank Roy Fraprie, 1922 **Germany's Transient Pasts** Rudy J. Koshar, 2000-11-09 Over the course of the twentieth century Germans have venerated and maintained a variety of historical buildings from medieval fortresses and cathedrals to urban districts and nineteenth century working class housing But the practice of historic preservation has sometimes proven controversial as different groups of Germans have sought to use historical architecture to represent competing versions of their nation's history *Transient Pasts* is the first book to examine the role that the historic preservation movement has played in German cultural history and memory from the end of the nineteenth century to the early 1970s Focusing on key public debates over historic preservation Rudy Koshar charts a trajectory of cultural politics in which historical architecture both facilitated and limited Germans efforts to identify as a nation He demonstrates that historical buildings and monuments have served as enduring symbols of national history in a country scarred by the traumas of two world wars Nazism the Holocaust and political division His findings challenge both the widely accepted argument that Germans have constantly repressed their past and the contention that Germany's intense public engagement with history since reunification is unprecedented *Methods of Teaching Modern Languages* Charles Hart Handschin, 1923 Introductory I The scientific foundations of modern language teaching II Values and methods III Skill discipline and enjoyment IV Pronunciation V Associating symbols and meanings VI Oral work VIII Reading VIII Writing IX Grammar X Realia XI Teaching literature XII Individual differences and supervised study XIII Reviews tests and examinations XIV Special problems XV Problems of administration XVI Teacher training Appendix A Bibliography of methods Appendix B Resolutions and recommendations of modern language teachers Appendix C Syllabi of four year courses Index McGill University Publications McGill University, 1921 German Books Börsenverein der Deutschen Buchhändler zu Leipzig (Germany), 1925 *Catalogue of the Harvard University Fine Arts Library, the Fogg Art Museum* Harvard University.
