and Revelation Veli-Matti Karkkainen, 2014-04-19 In this book Pentecostal theologian Veli Matti Karkkainen develops a constructive theology of triune revelation and the triune God in dialogue with Christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths Karkkainen's *Constructive Christian Theology for the Pluralistic World* is a five volume project that aims to develop a new approach to and method of doing Christian theology in a pluralistic world at the beginning of the third millennium With the metaphor of hospitality serving as the framework for his discussion Karkkainen engages Judaism Islam Buddhism and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions Never before has a fullscale doctrinal theology been attempted in such a wide and deep dialogical mode

Christ and Reconciliation Veli-Matti Kärkkäinen, 2013-05-26 The first installment in a wide and deep constructive theology for our time In *Christ and Reconciliation* Veli Matti Karkkainen develops a constructive Christology and theology of salvation in dialogue with the best of Christian tradition with contemporary theology in its global and contextual diversity and with other major living faiths Karkkainen's *Constructive Christian Theology for the Pluralistic World* is a five volume project that aims to develop a new approach to and method of doing Christian theology in our pluralistic world at the beginning of the third millennium Topics such as diversity inclusivity violence power cultural hybridity and justice are part of the constructive theological discussion along with classical topics such as the messianic consciousness incarnation atonement and the person of Christ With the metaphor of hospitality serving as the framework for his discussion Karkkainen engages Judaism Islam Buddhism and Hinduism in sympathetic and critical mutual dialogue while remaining robustly Christian in his convictions Never before has a full scale doctrinal theology been attempted in such a wide and deep dialogical mode *Essentials of Pentecostal Theology* Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this

dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus. Arguably, an acute need has arisen for identification and evaluation of the Pentecostal movement's original and ongoing theological essentials. What is Pentecostal theology really all about anyway? This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers' worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit. Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches, house fellowships and various mission settings in America and around the world. Birthed in the fires of revival movements, essential Pentecostalism including Pentecostal theology continues to burn brightest wherever it is fueled most directly.

A Christian Theology of Suffering in the Context of Theravada Buddhism in Thailand Satanun Boonyakiat, 2020-06-30. In this book Satanun Boonyakiat elucidates a Christian theology of suffering relevant to the context of Theravada Buddhism in Thailand. Grounding his work in a trinitarian comparative theology of religions, Boonyakiat explores the ways in which Buddhist teachings on suffering, specifically the Four Noble Truths, can challenge, enrich and deepen a Christian perspective. Ultimately, Dr. Boonyakiat suggests a Christian theology of suffering relevant to the people of Thailand. Both Christian and Buddhist alike must move beyond a traditional Western emphasis on theodicy to address a practical response to suffering's lived reality: a response rooted firmly in Scripture and grounded in a theology of the cross.

The Dialectics of Mission Elmer A. Guzman, 2023-09-15. Drawing on the resources of contemporary systematic theologians Kevin Vanhoozer and Veli-Matti Kärkkäinen, Elmer A. Guzman explores the generative dimension of mission for the formation of doctrine for a church that needs to witness in a pluralistic world. Guzman argues that understanding doctrinal formation and development depends on the missional dimension of doctrinal hermeneutics. In other words, these theological concepts and practices are justified based on the negotiation between theological sources, identity markers and the context's diversity markers. This book shows how perspectives arising from the structural elements in theological methodology shed fresh light on missional theology and the interconnections between the doctrinal loci in theology.
