Christ Is The Question:

Christ is the Question Wayne A. Meeks, 2006-01-01 In this series of reflections on the mystery of Jesus and the questions that surround him noted New Testament scholar Wayne Meeks redirects the course of the Jesus debates Insisting that we cease focusing on who the historical Jesus was and ask instead who is Christ Meeks demonstrates with electric and lucid prose that Jesus is not a permanent artifact whose precise nature can be traced back through history but rather a figure whose identity continues to emerge as contemporary persons engage him in their daily lives Questions About Jesus Christ

S. Michael Houdmann, 2013-06-14 For centuries the life of Jesus Christ has divided human history into two eras the before and the after Who He is what He said what He did and what was done to Him these are without a doubt among the most dissected discussed and debated subjects ever Jesus fielded many questions Some were from sincere seekers of truth others were from devious manipulators of truth Which is the great commandment in the Law What must I do to inherit eternal life Why do your disciples break the tradition Who gave you this authority Often Jesus answered a question with a question Jesus skill went beyond rhetoric to challenge ideas inflame faith and spur action Jesus asked the rich young ruler Why do you call me good When questioned about taxes Jesus held up a coin and asked Whose likeness and inscription is this Before revealing His divine identity to the disciples He asked them Who do you say I am The answer to that question makes all the difference This book is full of questions about Jesus The answers are based on what Jesus said about Himself and what the Holy Spirit inspired the biblical writers to record *Jesus Is the Question* Martin B. Copenhaver, 2014-09-02 Contrary to some common assumptions Jesus is not the ultimate Answer Man but more like the Great Questioner In the Gospels Jesus asks many more questions than he answers To be precise Jesus asks 307 questions He is asked 183 of which he only answers 3 Asking questions was central to Jesus life and teachings In fact for every question he answers directly he asks literally a hundred Jesus is the Question considers the questions Jesus asks what they tell us about Jesus and more important what our responses might say about what it means to follow Him Through Jesus questions he modeled the struggle the wondering the thinking it through that helps us draw closer to God and better understand not just the answer but ourselves our process and ultimately why questions are among Jesus most profound gifts for a life of faith A game changer of a book *If Jesus Is the Answer, What Is the Question?* James J. Genova PhD, 2016-11-15 In *If Jesus Is the Answer What Is the Question* Dr Genova reflects on six important questions each posed by God to his people in the Hebrew scriptures God asks these questions because we need to examine our own experiences and to use our reason to gain an improved understanding of God ourselves our community and our interrelationships The questions are Who is your Lord Who are you What do you need Do you understand What will God do How will you respond Seek each question and the dialogue with God recounted in the Old Testament Continue into the Gospels as Jesus asks these same questions As Jesus said You diligently study the Scriptures because you think that by them you possess eternal life These are the Scriptures that testify about me yet you refuse to come to me to have life John 5

3940 *If Jesus Is the Answer, What Is the Question?* James J. Genova, Ph.d.,2016-11-15 In *If Jesus Is the Answer What Is the Question* Dr Genova reflects on six important questions each posed by God to his people in the Hebrew scriptures God asks these questions because we need to examine our own experiences and to use our reason to gain an improved understanding of God ourselves our community and our interrelationships The questions are Who is your Lord Who are you What do you need Do you understand What will God do How will you respond Seek each question and the dialogue with God recounted in the Old Testament Continue into the Gospels as Jesus asks these same questions As Jesus said You diligently study the Scriptures because you think that by them you possess eternal life These are the Scriptures that testify about me yet you refuse to come to me to have life John 5 39 40 Consider Christ Paul Chappell,2008-06-07 Who is Jesus Christ There is not a more important question that you will ever consider The history of the world has been changed by this one question More importantly millions of lives over the centuries have been transformed by this one consideration Entire movements have been formed simply to try to redefine Jesus Christ Major world religions are based upon a variety of definitions and no other name sparks more offense and emotion in a variety of cultural settings than His name Who is Jesus You could never consider a more important question In this booklet you will discover what the Bible says about Jesus and what Jesus said about Himself You will be challenged to set aside the attempts of men to redefine Him You will be encouraged to embrace the truth that He taught and verified during His life Consider Christ Who is Jesus Explore the question and find the answer from Jesus own teachings Your life will never be the same *40 Questions About the Historical Jesus* C. Marvin Pate,2015-04-27 Answers to critical questions regarding the study of the Jesus of history and the Christ of faith The conclusions of the quest for the historical Jesus which casts the majority of Christ s life as a myth are a stark contrast to the orthodox view of Christ as presented in the Bible Pate demonstrates that a critical analysis of the gospel text along with historical and cultural methods of investigation actually point toward an orthodox view of Christ This work argues that the canonical Gospels are the most trustworthy information we have about the gospel writers as well as the life and ministry of Jesus including his death visit to hades resurrection and ascension Readers will be encouraged by the reliability of the Gospel writers the reality of Jesus humanity and deity and the inferiority of the apocryphal gospels *The Parables of JESUS CHRIST* Robert Gobelet,2016-05-03 Some sections of the Bible give us grand theology Some move us to grateful responses to God But The Parables of JESUS CHRIST break through mere words and make us see things more clearly as Jesus aloud his listeners to live through the eyes of the characters he spoke about In this book Robert Gobelet takes us systematically through the parables of Jesus so we all can learn these life changing and transforming truths taught by Jesus himself The Questions of Jesus in John Douglas Charles Estes,2012-10-19 Why do the New Testament gospels depict a Jesus who asks questions almost as often as he gives answers In *The Questions of Jesus in John* Douglas Estes crafts a highly interdisciplinary theory of question asking based on insights from ancient rhetoric and modern erotetics the study of

interrogatives in order to investigate the logical and rhetorical purposes of Jesus questions in the Gospel of John While scholarly discussion about Jesus cares more for what he says and not what he asks Estes argues a better understanding of the rhetorical and dialectical roles of questions in ancient narratives sheds a more accurate light on both John s narrative art and Jesus message in the Fourth Gospel *Hard Questions About Jesus* Only A. Guy,2011-10-01 Most every Christian has questions they don t know quite how to answer to unbelievers or even other Christians This book covers the hard questions about Jesus with plain answers Such questions as Did Jesus really exist Is there any historical evidence of Jesus Christ Who was responsible for Christ s death Is Jesus God Did Jesus ever claim to be God What did Jesus look like If Jesus was God why did He not know when He would return These are just a few of the many questions within this book The answers will help and guide you with a strong faith and a hunger for God s word Remember a closed mind can t get fed About the author I am a nobody trying to talk to everybody about somebody I am only a guy
