Christian Ethics Contemporary Issues And Options:

Christian Ethics Norman L. Geisler, 2010 This update of a classic text evaluates contemporary ethical options and pressing issues of the day from a biblical perspective

Christian Ethics (Revised Edition) Wayne Grudem, 2024-09-18 What Does the Bible Teach about How to Live in Today's World How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God's will in the ordinary decisions of life To address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God's law God's honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6

Christian Ethics Hak Joon Lee, 2021-11-09 In this capacious and accessible introduction to Christian ethics Hak Joon Lee advances a renewed vision of Christian life that is liberative grace centered and justice and peace oriented in nature Responding to key ethical questions of today Lee applies the moral meaning and implications of the New Covenant in Jesus Christ to twenty first century life characterized by fluidity fragmentation division and violence Christian Ethics begins by introducing covenant as the central drama and storyline of Scripture that culminates in the New Covenant of Jesus It presents shalom the wholeness and flourishing of creation as God's ultimate purpose and God's covenant as God's organizing mechanism of community that mediates God's work of liberation and restoration Lee proposes a creative model of Christian ethics based on the New Covenant of Jesus and its organizing patterns reconstructing the key categories of ethics agency norms authority of Scripture ethical discernment etc and drawing out four practices communicative engagement just peacemaking grassroots organizing and nonviolence The result is a new model of Christian ethics that is inclusive egalitarian ecological and justice and peace oriented which overcomes the limitations of traditional covenantal ethics In the second part of the book Lee systematically applies New Covenant ethics to the most urgent and controversial social issues of our time democratic politics economic ethics creation care criminal justice race sex and marriage medicine and war and peace Through his deep pastoral and irenic inquiries into these difficult topics Lee demonstrates a pattern of covenantal moral reasoning that undercuts the dominant neoliberal ethos of individualism and transactional relationship that

more and more influences Christian moral decisions His conclusion is that as covenant has been at the heart of modern democracy human rights civil society and civic formation a renewed understanding of covenant centered in Jesus can help to heal our broken society and imperiled planet and to reorganize the fragmented human life in the era of globalization and digitization Fundamental Christian Ethics Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues Development In Modern Africa Martin S. Shanguhya,Toyin Falola,2019-10-08 Development in Modern Africa Past and Present Perspectives contributes to our understanding of Africa s experiences with the development process It does so by adopting a historical and contemporary analysis of this experience The book is set within the context of critiques on development in Africa that have yielded two general categories of analysis skepticism and pessimism While not overlooking the shortcomings of development the themes in the book express an optimistic view of Africa s development experiences highlighting elements that can be tapped into to enhance the condition of African populations and their states By using case studies from precolonial colonial and postcolonial Africa contributors to the volume demonstrate that human instincts to improve material social and spiritual words are universal They are not limited to the Western world which the term and process of development are typically associated with Before and after contact with the West Africans have actively created institutions and values that they have actively employed to improve individual and community lives This innovative spirit has motivated Africans to integrate or experiment with new values and structures challenges and solutions to human welfare that resulted from contact with colonialism and the postcolonial global community The book will be of interest to academics in the fields of history African studies and regional studies **Life in Transit: Theological and Ethical Contributions on Migration** Manitza Kotzé,Riaan Rheeder,2020-12-31 Migration is an issue that is under discussion worldwide and affects South Africa the United States of America and Germany in a distinctive way This book reflects academically on this significant and topical subject of migration from the often neglected perspective of the fields of theology and Christian ethics While the majority of contributions are from the South African context there are also chapters reflecting on the topic from the other two aforementioned contexts While numerous publications have recently appeared on the subject reflection from theology and Christian ethics are often lacking As such this scholarly publication wants to add ethical value to the local and global conversations on the theme from a theological perspective The book reflects on migration from the perspectives originated in the disciplines of biblical studies the Hebrew Bible and the New Testament systematic theology ecumenical studies Christian ethics practical theology and missiology It presents new and innovative inquiries primarily from a qualitative methodological viewpoint The book unveils new themes for deliberation and provides novel interpretations and insights into existing research Legalism L. J. Anderson,2025-08-01 What if your definition of legalism is too narrow In this compact theological work L J Anderson exposes

legalism not just as a misapplied emphasis on rules but as a fully developed ethical and salvific system that masquerades as righteousness With clarity and conviction Anderson dismantles the appeal of legalism by analyzing both its strengths and fatal flaws Drawing from Scripture historical theology and moral philosophy he demonstrates why legalism ultimately replaces relationship with performance and why God hates it This book challenges both legalists and antinomians to recover a biblical vision of obedience one that is relational Spirit empowered and rooted in love for God It also serves as a theological and ethical prequel to Salvation by Faith Alone Anderson s deeper exploration of faith works and the gospel If you ve been labeled a legalist for obeying Scripture or are confused about how obedience relates to grace this book is for you

Polygamy in the Law of Moses Ryan Stephens,2024-05-15 Polygamy in the Law of Moses argues that the Mosaic Law provides implicit support for polygamy as a licit practice in the Old Testament period This assertion is contrary to the claims of a number of contemporary influential scholars This book examines six key texts Exodus 21 7 11 Leviticus 18 18 Deuteronomy 17 17 21 15 17 22 23 29 and 25 5 10 Each of these key texts are contested by various scholars regarding their implications for understanding polygamy in the Hebrew Bible Ryan J Stephens provides an examination of each of these key texts as well as a critical interaction with and evaluation of counter claims made by scholars Stephens provides clarity to the discussion of polygamy in the Hebrew Bible in support of the view that polygamy was a licit practice in the Old Testament period **THE CHRISTIAN APOLOGIST** Edward D. Andrews,2016-11-03 [Christian Apologetics](#) Norman L.

Geisler,2013-05-15 World famous apologist Norman Geisler offers a new edition of his bestselling apologetics text which has sold consistently for over thirty years over 125 000 copies sold This edition has been updated throughout and includes three new chapters It offers readers a systematic approach that presents both the reasons and the methods for defending the claims of Christianity Topics covered include deism theism Christ s authority and the inspiration of the Bible
