So Wrong for So Long Greg Mitchell, 2008 Mitchell editor of Editor Publisher and noted press critic offers his assessment of how well the media has and has not covered the war in Iraq

The Kidnapping of Journalists Robert G. Picard, Hannah Storm, 2016-03-22 The vulnerability of journalists to kidnappings was starkly illustrated by the killing of James Foley and Steven Sotloff by Islamic militants in 2014 Their murder underscored the risks taken by journalists and news organisations trying to cover developments in dangerous regions of the world and has forced news enterprises to more clearly prepare for and confront issues of safety This book explores the complex organisational issues surrounding the capture or kidnapping of journalists in areas of conflict and risk It explores how journalists becoming news is covered and the implications of that coverage how news organisations prepare for and respond to such events and how kidnapping and ransom insurers victim recovery firms journalists families and governments influence the actions of news enterprises It considers how and why journalists are kidnapped how employers and journalists organisations respond to kidnappings and why freelancers are particularly at risk as well as suggesting best practices for preventing and responding to kidnappings

In Harm's Way Kathleen Kern, 2009-01-01 In 1984 Evangelicals for Social Action founder Ron Sider posed the questions What would happen if we in the Christian church developed a new nonviolent peacekeeping force ready to move into violent conflicts and stand peacefully between warring parties Everyone assumes that for the sake of peace it is moral and just for soldiers to get killed by the hundreds of thousands even millions Do we not have as much courage and faith as soldiers Christian Peacemaker Teams CPT has been trying to answer those questions since 1986 CPT has responded to invitations from grassroots organizers on five continents who are using nonviolent strategies to confront systemic oppression This book provides a glimpse into the mistakes and successes the triumphs and tragedies that teams have shared in with local co workers in various nations It also continues to pose the question What would happen if CPT s efforts were multiplied by millions of Christians with a radical commitment to Jesus s nonviolent gospel
