Manual of the Christian Faith (Classic Reprint) Whitman Peck,2018-01-19 Excerpt from *Manual of the Christian Faith* Able The Bible indeed teaches such truths and Should be chie y studied but they need to know that it is the Word of God and what it teaches Such knowledge is usually very imperfect and can be more easily acquired by learning what others have already learned provided each one thinks and reasons for himself and carefully distinguishes truth from error Yet it can scarcely be expected that many in these days will study or even read such systems of Theol ogy as are chie y designed for ministers composing several volumes or at least a large volume There fore the author has been led to prepare a small volume designed to teach the essential and more im portant truths of religion so that they can be more easily learned He supposes that the views presented are much the same that all evangelical Christians About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Grounded in the Faith Ken Erisman,2013-07-15 The greatest challenge for the twenty first century church is the lack of catechesis training in biblical and doctrinal knowledge As J I Packer states where wise catechesis has flourished the church has

flourished and where it has been neglected the church has floundered It is increasingly apparent that we are raising up generations of Christians who often have little idea what they should believe and why they should believe it Grounded in the Faith takes up that challenge with twenty four low prep in depth sessions that will ground believers in the basics of their faith This new innovative guide is a transformational disciple making tool that leaders can immediately use to activate discipleship in the church It presents individuals small groups and Sunday school classes with a cohesive understanding of historic sound biblical theology that serves as a catalyst for deeper intimacy with Christ It is a user friendly guide to growth in the Christian faith that covers important topics such as justification overcoming temptation sanctification evidence for the inspiration of the Bible the value of prayer the guidance of God the Trinity the uniqueness of Christ and the attributes of God

Faith Survival Guide Dave Glander, 2014-01 Faith Survival Guide Student s Guide The Student s Guide is for each of the participants in the group other than the Leader who will be teaching from the Leader s Manual Unlike the Leader s Manual the Students Guides have empty fill in the blanks and do not have the Leader s Notes on the accompanying page Each Student s Guide is designed with space to take plenty of notes and is the Students to keep at the end of the study The Christian faith in America is dying due to a lack of proper education in our homes and churches One of the biggest failures of our modern times is that we have missed the command from our Lord to Go and make disciples teaching them More focus has been spent on filling the altars than has been given to simply teaching and feeding the sheep who are already in the flock This has led to a growing trend of non church attendance by adults and a mass exodus of youth from the Christian faith Post modernism has emptied our churches because it says that God is not real the Bible isn t reliable and Jesus isn t the answer Our school systems have brainwashed our minds to believe that we are all just a great big evolutionary cosmic accident with no absolute meaning for our lives The Faith Survival Guide will reverse this trend by providing a simple to use apologetics guide that will answer some of the biggest questions facing the Christian faith Written in an easy to teach format any Average Joe who wants to see their church family and community become bold Warriors for Christ needs to get this curriculum for their Sunday school small group or at home study group Order today to be the change in your environment May God bless you The Compact Guide to the Christian Faith John Schwarz, 1999 An insightful study introducing readers to the Bible church history other religious belief systems evangelism prayer and more
