Crump, 2022-12-30 From the manger of Jesus Christ to the 21st century this encyclopedia explores more than 2 000 years of Christmas past and present through 966 entries packed with a wide variety of historical and pop culture subjects Entries detail customs and traditions from around the world as well as classic Christmas movies TV series specials and animated cartoons Arranged alphabetically by entry name the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens Louisa May Alcott Hans Christian Andersen Pearl Buck Henry Van Dyke and others All things Christmas are available here in one comprehensive volume [A Meditation on King Richard Iii](#) Margaret J. Howell, 2015-05-27 Documents may have been destroyed the graves left unmarked the records rewritten but his idea dominated the minds and experiences of those who knew him best and who shared their recollections so that he has joined that rare group of singular personalities who make friends centuries after they have passed from the world Richard III was a king with all that implies and he has returned after five centuries trailing some of his mediaeval glory He was also pious This little book provides a brief biography describes the form and feature of the time its ceremony and its hope It reviews briefly the history of deposed monarchs and concentrates also on the inward life which was the mainspring of action and recalls the lost faith we once all shared with King Richard Some techniques for contemplation give the reader unfamiliar with such concepts a good start with simple methods sentences for meditation and set prayers **Celebrating The 12 Days of Christmas** Chris Marchand, 2019-10-10 The song The 12 Days of Christmas is a mainstay of the holiday season but the practice of celebrating Christmas as a twelve day festival fell out of fashion long ago in most cultures In Celebrating the 12 Days of Christmas author Chris Marchand explores the history behind the season and individual feast days from December 25 to January 6 and then offers suggestions for how you can celebrate it with your family church or community Along with this he provides answers to many of the nagging questions surrounding the holiday such as the history behind the twelve days song why December 25 was chosen as the date and what to do about its supposedly pagan origins The challenge before us is to first help people see Christmas as a holiday that begins rather than ends on December 25 and then to together figure out how to reinvent Christmas in the present by learning how it was celebrated in the past [Inter-Actions](#) Nelvin Vos, 2009-05-16 This book is an exploration of the linguistic structural historical and thematic relationships of religion and drama It is not an attempt to sacralize drama so that it becomes a substitute for religion nor will it reduce religion to its aesthetic dimension What does religion tell us about

drama and what does drama tell us about religion What have been their inter actions in our tradition The conversation between religion and culture drama and Christianity needs to be ongoing This book is a contribution to the dialogue asking questions pointing towards possible answers and encouraging others to join in the conversation **Rejoice and Be Glad!**
