Christs Churches Purely Reformed A Social History Of Calvinism

David D. Hall

Christs Churches Purely Reformed A Social History Of Calvinism:

Christ's Churches Purely Reformed Philip Benedict,2002-01-01 This is the first synthetic history of Calvinism in almost 50 years It tells the story of the Reformed tradition from its birth in the cities of Switzerland to the unravelling of orthodoxy amid the new intellectual currents of the 17th century Calvinism's First Battleground Michael W.

Bruening,2006-01-27 This book sheds new light on the origin of Calvinism and the Reformed faith through a detailed history of its progress in the Pays de Vaud A careful examination of twin conflicts the forced conversion of a Catholic populace to Protestantism by the Bernese and the struggle of Calvinists against the Zwinglian political and theological ideas that dominated the Swiss Confederation helps show why the Reformation bloomed where and when it did **The Oxford**

Handbook of the Protestant Reformations Ulinka Rublack,2017 This Handbook takes a broad overview of the Protestant Reformations seeing them as movements which stretched far beyond their European beginnings Written by a team of international scholars of history and theology the contributions offer up to date perspectives on Reformation ideas and the lasting historical impact of Protestantism The Puritans David D. Hall,2021-04-06 Shedding critical new light on the

diverse forms of Puritan belief and practice in England Scotland and New England Hall provides a multifaceted account of a cultural movement that judged the Protestant reforms of Elizabeth s reign to be unfinished Provided by publisher **A**

Companion to German Pietism, 1660-1800 Douglas Shantz,2014-11-06 A Companion to German Pietism offers an introduction to recent Pietism scholarship on both sides of the Atlantic in German Dutch and English The focus is upon early modern German Pietism a movement that arose in the late 17th century German Empire within both Reformed and Lutheran traditions It introduced a new paradigm to German Protestantism that included personal renewal new birth women dominated conventicles and millennialism The Introduction offers a concise overview of modern research into German Pietism The Companion is then organized according to the different worlds of Pietist existence intellectual devotional literary cultural and social political **Restoring the Reformation** Kenneth J. Stewart,2006-06-01 This book traces British

missionary initiative in post Revolutionary Francophone Europe from the genesis of the London Missionary Society the visits of Robert Haldane and Henry Drummond and the founding of the Continental Society While British evangelicals aimed at the reviving of a foreign Protestant cause of momentous legend they received unforeseen reciprocating emphases from the Continent which forced self reflection on Evangelicalism s own relationship to the Reformation *The Peril and Promise of Christian Liberty* Littlejohn, W. Bradford,2017 What happens when Christians must obey God rather than human authorities In this book W Bradford Littlejohn addresses that question as he unpacks the magisterial political theological work of Richard Hooker a leading figure in the sixteenth century English Reformation through the lens of Christian liberty Book jacket

Encyclopedia of Renaissance Philosophy Marco Sgarbi,2022-10-27 Gives accurate and reliable summaries of the current state of research It includes entries on philosophers problems terms historical periods subjects and the cultural

context of Renaissance Philosophy Furthermore it covers Latin Arabic Jewish Byzantine and vernacular philosophy and includes entries on the cross fertilization of these philosophical traditions A unique feature of this encyclopedia is that it does not aim to define what Renaissance philosophy is rather simply to cover the philosophy of the period between 1300 and 1650

Uncivil Disobedience David M. Gides, 2022-12-13 This book addresses the need for theological reflection on uncivil disobedience Existing scholarship in theology and politics mostly treats church state relations theoretically with studies in non violent resistance or civil disobedience or in other ways largely assuming traditional forms of governance and means of protest all while paying little to no attention to post modern political philosophies Recent eruptions of uncivil disobedience oftentimes involving violence like we have seen with Antifa Black Lives Matter protests the storming of the U S Capitol Building and in the actions of other right wing leftist and religious groups assume new ways of protesting and new forms of organizing or mobilizing Additionally these groups and their activities are often informed by post modern philosophies These new political dynamics present an opportunity for theologians to produce scholarship in response After establishing philosophical underpinnings related to uncivilly disobedient action the contributors cover traditional historical and theological responses to political unrest as a foundation for considering or evaluating attempts to address theologically present day manifestations of uncivil disobedience

Heaven's Wrath D. L. Noorlander, 2019-09-15 *Heaven's Wrath* explores the religious thought and religious rites of the early Dutch Atlantic world D L Noorlander argues that the Reformed Church and the West India Company forged and maintained a close union with considerable consequences across the seventeenth century Noorlander questions the core assumptions about why the Dutch failed to establish a durable empire in America He downplays the usual commercial explanations and places the focus instead on the tremendous expenses incurred in the Calvinist backed war and the Reformed Church's meticulous worried management of colonial affairs By pinpointing the issues that hampered the size and import of the Dutch Atlantic world Noorlander revises core notions about the organization and aims of the Dutch empire the culture of the West India Company and the very shape of Dutch society Open Access edition funded by the National Endowment for the Humanities
