Joan Schroeder Kindig

Choosing To Read Connecting Middle Schoolers To Books:

Choosing to Read Joan Schroeder Kindig, 2012 Kindig shows middle school teachers how to integrate student choice into a reading program She outlines principles for identifying books kids will read why choice will help them meet state standards and developmental needs and how to make reading social and meaningful match books to kids prompt discussions and help develop readers

Connecting Theory and Practice in Middle School Literacy Jason DeHart, Carla K. Meyer, Katie Walker, 2021-12-27 Bringing together the voices of researchers and teachers this volume addresses how teachers connect theory to practice in the middle school English Language Arts education setting and explores how to teach and engage with young adults in a way that treats them as ethical and thoughtful citizens The book bridges the gap between educational theory and real world implementation and covers a range of timely topics in middle level education through a focus on text choice identity and practice Contributors acknowledge and balance the challenges associated with the reality of teaching including time constraints sudden shifts and fast paced work with real world guidance on key topics such as supporting multilingual students queering middle grade pedagogies teaching diverse texts examining racial bias in the classroom and critical digital literacy Ideal for courses on middle level education and literacy education this book encourages and equips pre service teachers to engage in meaningful conversations with their students that foster reflection and transformative learning

"I Hate Reading" Justin M. Stygles, 2022-09-15 It can take a lifetime to eradicate a reader's shame or it can take one great teacher Shame bound readers want someone to notice them It's true But then what does a teacher do to help students Justin Stygles found fresh answers in Gershen Kaufman's seminal research on shame and applied it to his teaching The results proved to him and now us that taking deliberate actions to is crucial At heart it's about mentoring these fragile readers Yet the beautiful surprise is in store A few shifts in classroom practices changed everything for every reader Learn to Spot all the distress signals including withdrawal perfectionism sweetness Help students see that they are not permanently locked out of a reading life Use assessment instruments to note and celebrate incremental change Plan mini units that develop skills in concert with engagement Design small group experiences that are free of levels and other shame inducing labels

Making Connections in Elementary and Middle School Social Studies Andrew P. Johnson, 2009-10-15 Making Connections in Elementary and Middle School Social Studies Second Edition is the best text for teaching primary school teachers how to integrate social studies into other content areas This book is a comprehensive reader friendly text that demonstrates how personal connections can be incorporated into social studies education while meeting the National Council for the Social Studies' thematic pedagogical and disciplinary standards Praised for its eowwealth of strategies that go beyond social studies teaching e including classroom strategies pedagogical techniques activities and lesson plan ideas this book examines a variety of methods both novice and experienced teachers alike can use to integrate social studies into other content areas

Teens Choosing to Read Gay Ivey, Peter Johnston, 2023 In a sea of

troubling reporting about education teaching reading and the wellbeing of teens Ivey and Johnston bring some good news that shows what happens when we stop underestimating young people This accessible book offers an engaging account of a 4 year study of adolescents who went from reluctant to enthusiastic readers These youth reported that reading not only helped them manage their stress but also helped them negotiate happier more meaningful lives This amazing transformation occurred when their teachers simply allowed them to select their own books invited them to read with no strings attached and provided time for them to do so These students nearly all of whom reported a previously negative relationship with reading began to read voraciously inside and outside of school performed better on state tests and transformed their personal relational emotional and moral lives in the process This illuminating book leads readers on a tour of adolescents reading lives in their own words offering a long overdue analysis of students deep engagement with literature The text also includes research to inform arguments about what students should and should not read and the consequences of limiting students access to the books that interest them through censorship Book Features Links young adults reading engagement with socio emotional and intellectual development Provides nuanced descriptions of teaching practices that facilitate student agency in learning Features student voices that have been absent in debates about what is appropriate for young people to read and under what circumstances Connects student perspectives on reading with positive outcomes of reading to research from other disciplines Illuminates the breadth and depth of the responsibilities of teaching English language arts

Decolonizing Middle Level Literacy Instruction Michael Domínguez, Robyn Seglem, 2023-06-30 This text offers pre service and in service teachers pragmatic strategies for teaching middle grades literacy in culturally proactive and sustaining ways By demystifying big ideas and complex concepts Domínguez and Seglem provide clear pathways and lessons for illuminating and engaging with race ethnicity culture and identity in the middle grade English Language Arts classroom While addressing social justice equity diversity and liberation can seem intimidating or unrelated to classroom practice the authors demonstrate how weaving such questions into instruction benefits students development The guidance strategies and lessons in this book provide an answer to the question What does decolonial literacy teaching look like Concrete but not prescriptive the authors encourage us to reconsider accepted logics of schooling so that we can better support adolescents as they navigate complex identity landscapes Bringing together disparate conversations around reading writing identity and decolonial thinking and specifically tailored to the middle grades this book serves as a comprehensive toolkit for praxis and covers such topics as cultural change community connections and racial literacy Each chapter features tips on reading and writing instruction Teacher Spotlights Planning Questions and Additional Resources to make it easy for educators to apply the strategies to their own contexts An accessible entry to addressing challenging questions around identity in the classroom this book is essential reading in courses and professional development on ELA and literacy methods as well as teaching culturally and linguistically diverse students For teachers looking to push toward equity and reshape literacy education so

that it serves all middle grade students Dom nguez and Seglem offer plenty of accessible and motivating places to start
