Leading a Congregation to Relevance C. Dean Waterman, 2022-10-17 What is the measure of a successful congregation For most success is in the numbers but the new scorecard is relevance which is deeper and more impactful The fundamentals that bring relevance are not new but have been abandoned by many congregations for the newest methods and trends in church growth Within these pages is a new model for bringing these important fundamentals together They may be taken as a whole or implemented individually but when done so they bring a renewed focus to a congregation which results in lives changed and new relevance to those within the congregation and in the community it exists in

Baptists and Worship R. Scott Connell, 2020-11-30 Worship is dialogue It is more than that but it is not less than that The way Baptists have worshiped for three and a half centuries demonstrates this consistently in spite of their penchant for freedom and autonomy No one tells Baptists how to order their worship services They don't have a common liturgy that they must follow and yet their services look remarkably similar This is largely due to two controlling factors in their worship The Bible that they embrace as inspired inerrant authoritative and sufficient and the Christ revealing gospel that is contained within its pages When the word of God is followed closely a shape for worship order begins to emerge It is the same gospel shape that is found throughout the Bible When the word of God is applied to a worship service in which God and his people are engaged in a worship conversation a consistent contour of gospel elements and content begins to emerge that reveals the glory of the Christ we gather to worship He is so glorious that when we behold him we are transformed into the same image from one degree to another This is the power of corporate worship 2 Cor 3

The Worship Pastor Zac M. Hicks, 2016-10-11 Modern worship leaders are restless They have inherited a model of leadership that equates leading worship with being a rock star But leading worship is more than a performance it's about shaping souls and making disciples Every worship leader is really a pastor The Worship Pastor is a practical and biblical introduction to this essential pastoral role Filled with engaging illustrative stories it is organized to address questions of theory and practice

What's Love Got to Do with It? Sam Hamstra Jr.,2016-08-18 In the past three plus decades a significant conversation has taken place among American Protestants about worship As a result countless books have been written on the subject We have read books on music and worship ancient future worship worship as spiritual formation worship and the arts worship and children even life as worship Listen to that conversation however and you will notice one word conspicuously absent While the heart and soul of the Christian life is love and while the apostle Paul I Corinthians 13 insists that worship without love fails to be worship recent conversations on worship fail to answer this simple question What s love got to do with it In this volume Sam Hamstra answers that question and more by identifying biblical principles that shape our love as worshipers The end result is an invaluable resource for worshipers and for those responsible for planning corporate worship
