Christ The Key Current Issues In Theology:

Christ the Key Kathryn Tanner, 2009-12-10 Through the intensely intimate relationship that arises between God and humans in the incarnation of the Word in Christ God gives us the gift of God's own life This simple claim provides the basis for Kathryn Tanner's powerful study of the centrality of Jesus Christ for all Christian thought and life if the divine and the human are united in Christ then Jesus can be seen as key to the pattern that organizes the whole even while God's ways remain beyond our grasp Drawing on the history of Christian thought to develop an innovative Christ centered theology this book sheds fresh light on major theological issues such as the imago dei the relationship between nature and grace the Trinity's implications for human community and the Spirit's manner of working in human lives Originally delivered as Warfield Lectures at Princeton Theological Seminary it offers a creative and compelling contribution to contemporary theology

Gender as Love Felipe do Vale, 2023-11-21 Christianity Today 2025 Award of Merit Academic Theology A theologically sophisticated take on contentious contemporary debates about gender Christianity Today In recent years the issue of gender has become a topic of great importance and has generated discussion from the kitchen table to the academy It is an issue that churches and Christian educational institutions are grappling with as well since gender is a crucial aspect of identity affecting how we engage socially and understand our embodiment Upstream from all these conversations lies a more basic question What is gender In *Gender as Love* Felipe do Vale takes a theological approach to understanding gender employing both biblical exegesis and historical theology and emphasizing the role human love plays in shaping our identities He engages with and explains current theories and debates but his approach is unique in that it avoids the present impasse between social constructionist and biological essentialist paradigms His emphasis is on love as identity forming This fresh holistic approach makes an important contribution to the literature and will benefit scholars and students alike Foreword by Beth Felker Jones

Rethinking Trinitarian Theology Giulio Maspero, Robert J. Wozniak, 2012-03-01 The book aims at showing the most important topics and paradigms in modern Trinitarian theology It is supposed to be a comprehensive guide to the many traces of development of Trinitarian faith As such it is thought to systematize the variety of contemporary approaches to the field of Trinitarian theology in the present philosophical cultural context The main goal of the publication is not only a description of what happened to Trinitarian theology in the modern age It is rather to indicate the typically modern specificity of the Trinitarian debate and first of all to encourage development in the main areas and issues of this subject

A Politics of Grace Christiane Alpers, 2018-04-19 Christiane Alpers discusses the contribution and role Christian theology plays in developing of the democratic life in post Christendom societies She discusses the three major approaches to this debate public theology Radical Orthodoxy and post liberal Protestantism in order to illustrate the shared assumption that such an enhancement should be understood in terms of solving existing political problems The volume builds on and combines public theology's aspiration to craft a non triumphant political theology fit for a post Christendom context Radical Orthodoxy's hesitancy to embrace secularism as neutral centre for present democracies as well as post liberalism's Christocentric outlook Alpers engages with a wide variety of thinkers such as John Milbank Graham Ward John Howard

Yoder Kathryn Tanner and Edward Schillebeeckx to suggest that a political theology in the post Christendom context could build on the faith that Christ alone has redeemed the whole world

Dietrich Bonhoeffer's Christian Humanism Jens Zimmermann,2019 An innovative study of the theology of Dietrich Bonhoeffer which elucidates that his work teaches and represents a Christian humanism that is also present in the wider Christian tradition

Grounded in Heaven Michael Allen,2018-10-02 Eschatology and ethics are joined at the hip says Michael Allen and both need theocentric reorientation In Grounded in Heaven Allen retrieves the traditional concept of the beatific vision and seeks to bring Christ back into the heart of our theology and our lives on earth Responding to the earthly mindedness of much recent theology Allen places his focus on God and the heavenly future while also appreciating ways in which the Reformed tradition provides a unique angle on broadly catholic concerns Reaching back to classical ethics as well as its reformation by Calvin and other Reformed theologians Grounded in Heaven offers a distinctly Protestant account of the ascetical calling to be heavenly minded and to deny one s self

The Imago Dei Lucy Peppiatt,2022-04-08 The doctrine of the imago Dei that human beings are created in the image and likeness of God is an endlessly fascinating topic Not only is it a central doctrine to Christian life and practice but also touches perhaps even helps to form every other doctrine of the Christian faith in one way or another We do not think about God in a Christian sense as any other than the God who creates humanity in God s image However many of the details of this claim and what it means for human beings are left undefined by Hebrew and Christian Scriptures and it is not even mentioned in the creeds This space leaves room for exploration So the quest for what it means for human beings to be made in the image and likeness of God has never ceased to occupy theologians clerics and the laity alike In this Companion Peppiatt charts the developments of the doctrine through the ages summarizing each position and perspective up to the modern day This volume offers a compact but rich overview of the various ways in which this doctrine has been and is understood as well as pointing readers to further questions for consideration

The Oxford Handbook of Sacramental Theology Hans Boersma,Matthew Levering,2015-08-06 As a multi faceted introduction to sacramental theology the purposes of this Handbook are threefold historical ecumenical and missional The forty four chapters are organized into the following parts five parts Sacramental Roots in Scripture Patristic Sacramental Theology Medieval Sacramental Theology From the Reformation through Today and Philosophical and Theological Issues in Sacramental Doctrine Contributors to this Handbook explain the diverse ways that believers have construed the sacraments both in inspired Scripture and in the history of the Church s practice In Scripture and the early Church Orthodox Protestants and Catholics all find evidence that the first Christian communities celebrated and taught about the sacraments in a manner that Orthodox Protestants and Catholics today affirm as the foundation of their own faith and practice Thus for those who want to understand what has been taught about the sacraments in Scripture and across the generations by the major thinkers of the various Christian traditions this Handbook provides an introduction As the divisions in Christian sacramental understanding and practice are certainly

evident in this Handbook it is not thereby without ecumenical and missional value This book evidences that the story of the Christian sacraments is despite divisions in interpretation and practice one of tremendous hope
