Why Hast The Mighty Fallen? Michelle Robinson,2017-09-25 What happens when your life is spiraling out of control When did it start How did it get to that point And why did you not seek help Why Hast the Mighty Fallen An Intrinsic and Extrinsic Examination of the Lack of Counsel among Fallen Leaders is inspired by the deeply rooted passion of its author to end premature deaths suicides physical mental and emotional compromises that many leaders face particularly pastors and senior leaders of corporate organizations and politicians This book references many of the fallen leaders in corporate America But it also highlights the successes of those leaders who stand tall today Some chapters are testimonial and transparent because of the author s own plight as she knows firsthand how the lack of counsel can alter your life and the lives of your loved ones forever due to an unwillingness to seek help The book is intentional about laying out the pitfalls and step by step ways to avoid those pitfalls in a very practical nonconvoluted manner There are points where you may laugh or even cry But the purpose is to motivate you to do something about your current situation It will not go away unless you do something The author understands that sometimes personal rebellion and deep wounds resulting from the rebellion and sin of others cause us much pain Noteworthy is a quote from a revered author We often think of brokenness and neediness as bad but the gift of pain draws us into community with God and one another McMinn 2011
