

A Graduation Blessing

By Barbara D. MacAdam

Embarking on a journey which began some time ago, how could you have imagined all the things you'd come to know.

You learned to use each challenge as an opportunity, to overcome each problem - despite adversity.

It wasn't always easy keeping up with things at school, but YOU held on to your beliefs, and followed "the golden rule."

You found your voice & chose a path that honors who you are, and that, I think, may be your greatest lesson learned thus far.

For no one could be prouder of the person you've become, and that is why I'm confident that the best is yet to come.

May you never waste a moment wishing life was not unfair. Rather use the gifts God gave to you, to change the world out there.

Barbara D. MacAdam

Your Graduation signals us that you are on your way. So spread your wings and fly my dear, forever and a day!

Beyond practical parenting and good behavior how to's *Next Level Parenting* takes the reader beneath the surface to the heart and soul of the child where the most profound transformations take root It teaches parents to use discernment wisdom and courage as they place as much focus and effort on addressing what is happening in the spirit realm as they do in the physical realm In a world where a battle for the hearts and minds of the next generation is raging parents learn to stand in the gap armed and ready spiritually to do battle on their child's behalf **How Christians Should Relate to Government**

Wayne A. Grudem, 2012-04-10 Derived from theologian Wayne Grudem's *Politics According to the Bible* this digital short outlines five misguided approaches Christians take to politics and a way that is both more biblical and better for society Grudem describes the five misguided approaches as follows Government should compel religion Government should exclude religion All government is evil and demonic Do evangelism not politics Do politics not evangelism In their place Grudem argues for a view that he calls significant Christian influence on government Provocative and compelling *How Christians Should Relate to Government* will prod the thinking of politically minded Christians regardless of which party they favor

Palmer, 2001-11 Of course we want to be full time Christians But that's tough to do Wouldn't it be easier if someone came alongside to help us and encourage us That's just what Earl Palmer does in this book He walks with us shares the joys and struggles of his own journey and passes along wisdom that comes from his intimate experience with God in Jesus Christ *America a Christian Nation?* Stephen McDowell, 2005 **Muscular Christianity and the**

Colonial and Post-Colonial World John J. Macaloon, 2013-09-13 This Volume explores the enormous impact the ethos of

Jesus Jay R. Leach, 2013-04 CHANGE is is the one thing you can count on in these exciting and discouraging times Fueled by the bizarre pace of technological inovation transitions are taking place in society and the church in ways that we have never seen before Beginning with the fact of four generations living at the same time each with their unique ideas and change accompanied by a generational breakdown in understanding and communications In the past the church was a reliable moral compass for society But today with the self imposed isolation inside the four walls of of brick Satan is left to his device of blinding the minds of men lest they believe the glorious gospel of eternal salvation He has been able to spread a cloak of darkness over our Western culture Darkness is not knowing the real purpose and nature of things For example What is the source of man and his world Where have man and his world come from What is the purpose of man in the world Why do man and his world exist What is the end of man and his world Light is knowing God and His Son the authentic Jesus Christ who stands as the Source of purpose and end of man and his world Further light is to know the truth and reality of man and his world that God created all for Himself That He loves and saves all to live with Him eternally if we will only believe and trust Him Today there is a tension between the world and the Word The authentic Christ is the only hope for the world Give Me Jesus **Persecution** David Limbaugh, 2003-09-25 In this New York Times bestseller David Limbaugh exposes the liberal hypocrisy of promoting political correctness while discriminating against Christianity From the elimination of school prayer to the eradication of the story of Christianity from history textbooks this persuasive book shows that our social engineers inculcate hostility toward this religion and its values in the name of diversity tolerance and multiculturalism Through court cases case studies and true stories Limbaugh details the widespread assault on the religious liberties of Christians in America today and urges believers to fight back in order to restore their First Amendment right of religious freedom The

Coming Tyranny David A. Herrera, 2021-06-30 The Coming Tyranny How Socialism Will Lead to Civil War in America is a step by step prediction of how socialism in America will develop by nefarious and corrupt Democrats whose concerns are not the

interests and well being of the American people but are concerns about redistributing wealth attaining power control and enriching themselves After the 2020 suspected fraudulent election Democrats practically control the Federal government Their Utopian socialist dream consists of taking substantial wealth from the rich through oppressive taxes and redistributing this wealth for government assistance to illegal migrants for black reparations to bail out poorly managed Democrat states disguised as COVID 19 relief for infrastructure for green energy for government run healthcare for COVID 19 vaccines to support the UN the Paris Peace Accord climate deal the World Health Organization and for Palestinian aid The Chinese born COVID 19 pandemic has enabled the worse election fraud in US history to occur in a concerted effort to steal the 2020 election by election computer fraud ballot counters state elected officials in key states mail carriers and election officials Incredulously key state supreme courts and the US Supreme Court all refused to listen to any evidence or witnesses available in the worst election fraud in US history Examples of Democrat socialist presidential candidates and their leftist views are presented to show how far left socialists want to take America Examples are given as to how corrupt leaders such as Obama Hillary Clinton and Joe Biden not only tried to rig the 2016 election but sought to influence the election of Benjamin Netanyahu forced Pope Benedict to resign and be replaced by a liberal Pope and how the Obama Administration and others were involved with the Vatican and Pope Francis to try to align abortion and homosexuality morality in Catholic doctrine with leftist political morality to be gaslighted as acceptable moral behavior in the US by Hillary Clinton and Tim Kaine in preparation for the 2016 election The Biden Administration signed a slew of executive orders and tax policies that mandated culture change and triggered oppression of Americans Step by step predictions are made how Democrats will change election laws so that they will always remain in power Socialist policies are predicted to cause economic chaos failure and instability Many Americans will lose their jobs and suffer Crime poverty and homelessness will increase Police departments and the military will be politicized to support and enforce tyrannical laws passed by the socialist Federal US government to deprive Americans of their freedoms Conservatives will react as tyranny and oppression intensify A secession of states will likely occur leading to a 2nd American Civil War Unfortunately the war will not fare well for freedom loving Americans for reasons stated Only a miracle from God can save the USA Leftist policies and reconstruction efforts will further weaken the US As Muslim immigrants grow exponentially in the US and Muslim population centers in states increase over time this book predicts that a 3rd Civil War will occur between Muslims and non Muslims In the end the old US will become divided into Muslim and non Muslim countries never to return to the greatest country on earth that it was

Confessions of a Christian Humanist John W. De Gruchy, 2006 How can one genuinely follow Jesus today and what does that mean about one's lifestyle social and political commitments and ethical stance In this fine work internationally renowned theologian John de Gruchy answers that question Reviving an almost silenced tradition he lifts the banner of Christian humanism not secular humanism with a Christian veneer but a critical retrieval of Christianity's core convictions and values in ways that are both

critical of and yet constructively engaged with secular culture in serving the well being of humanity
