The Christian Life in the Modern World (Classic Reprint) Francis Greenwood Peabody, 2015-07-12 Excerpt from The Christian Life in the Modern World God was to train one to live soberly righteously and godly not in a world of his own choosing but in this present world 1 Soberly as concerns one s self righteously as concerns one s neighbor piously as concerns one s God these three principles made according to the Apostle a practicable rule of conduct for a young man of the first century in a vicious and pleasure loving world About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Christian Service and the Modern World (Classic Reprint) Charles S. Macfarland, 2015-07-13 Excerpt from Christian Service and the Modern World These messages have been given to the School of Theology of Southwestern University the Biblical Institute of Vanderbilt University the School of Theology at Fayette Mo and on other similar occasions They have been prepared in such time as could be taken from those administrative duties which necessarily limit both adequacy of thought and literary preparedness These utterances are not set forth as comprehensive of the Gospel message They are limited to only one or two aspects of that message or to one or two expressions The author had once preached a sort of trial sermon before the students in the chapel of the Theological Seminary and was rebuked by one of his fellow students who stated that the sermon had not discussed the Atonement and several other cardinal doctrines which he proceeded to name The answer of the embryo preacher was that he expected to preach several more sermons The author has however in this instance in previous volumes considered certain primary and constitutional features of Christian faith and experience About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

Rosenthal-Pubul,2019-01-01 In this work Alexander Rosenthal Pubul presents a broad examination of the ancient philosophical question What is the good life while addressing how the liberal arts can help us to answer this question Greek philosophy distinguished between the noble what is good in itself from the merely useful good for something else From thence follows the distinction between the liberal arts which pursue such noble goods and the mechanical arts which are only instrumental For Aristotle the most noble and excellent good is wisdom itself Hence the theoretic life devoted to the love of wisdom for its own sake philosophy is the highest and the most excellent This work theorizes the origins of modernity in a rebellion against this Greek conception resulting in a complete inversion of the classical hierarchy Sir Francis Bacon reconceiving the purpose of knowledge as power enthroned technology over philosophy and the liberal arts The unfolding of the modern Baconian revolution progressively sidelines the liberal arts as practical economic and technical utility become the standard of value In assessing this problem the book engages in a capacious journey across disciplines like philosophy history art politics and science It is also a veritable tour across the Western intellectual tradition including Socrates Plato Aristotle Cicero Seneca Thomas Aquinas Bacon Descartes Hume Kant Nietzsche Dewey Berdyaev Einstein and Heidegger It pleads the urgent need to preserve the humanizing cultural ideals of the ancient classics against the modern tyranny of utility and the dangers of a new barbarism **The Correspondence of Henrik Ibsen (Classic Reprint)** Henrik Ibsen,2017-05-23

Excerpt from The Correspondence of Henrik Ibsen ON the 31st of May 1880 Henrik Ibsen wrote to his publisher Frederik Hegel that he had begun a little book in which he intended to give some account of the outward and inward conditions under which each one of his works had come into being letter It was to be called From Simian to Rome and was to give descriptions of his life at Skien and Grimstad Bergen and Christiania Dresden Munich and Rome About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The Life of Christian Doctrine](#) Mike Higton,2020-07-09 The lives of Christian churches are shaped by doctrinal theology That is they are shaped by practices in which ideas about God and God's ways with the world are developed discussed and deployed This book explores those practices and asks why they matter for communities seeking to follow Jesus Taking the example of the Church of England this book highlights the embodied affective and located reality of all doctrinal practices and the biases

and exclusions that mar them It argues that doctrinal theology can in principle help the church know God better even though doctrinal theologians do not know God better than their fellow believers It claims that it can help the church to hear in Scripture challenges to its life including to its doctrinal theology It suggests that doctrinal disagreement is inevitable but that a better quality of doctrinal disagreement is possible And finally it argues that by encouraging attention to voices that have previously been ignored doctrinal theology can foster the ongoing discovery of God s surprising work

Identity Crises and Indigenous Religious Traditions Elijah Obinna,2017-02-10 This book highlights the complex identity crises among many Christians as they negotiate their new identities religious ideas and convictions as both Christians and members of Nigerian African societies of indigenous religious traditions and identities Through an interdisciplinary interpretation of religious practices and educational issues in teaching and ritual training the author provides tools to help analyse empirical cases These include the negotiation processes among Christians with focus on the Presbyterian Church of Nigeria PCN and members of the Ogo society within the Amasiri Afikpo North Local Government Area Ebonyi state in South eastern Nigeria Identifying the power dynamic identity role and influence of indigenous religions on Christians and the Ogo society this book reveals the limited interactions between many Christians and members of the Ogo society Questions explored include what makes the Ogo society an integral part of the socio religious life of Amasiri and what powers and identity does it confer on the initiates how is the PCN within Amasiri responding to the Ogo society through its religious practices such as baptism confirmation local auxiliary ministries and organisational structure and how does the understanding and application of conversion within the PCN impact on its members response to the Ogo society Demonstrating how complex religious identities and practices of Nigerian African Christians can balance mission influenced Christianity with indigenous religious traditions and identities this book recognises the importance of appropriating the powers of indigenous cultures ingenuity and creativity in the construction and preservation of community identities As such it will be of keen interest to scholars of Christian theology indigenous religious practice and African lived religion

The Faith of a Quaker (Classic Reprint) John William Graham,2017-02-06 Excerpt from The Faith of a Quaker There arise also the insistent questions which beset all mystics and which in Quakerism demanded a corporate instead of an individual answer Was the light infallible Was the claim to it an assumption of spiritual exaltation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Purposes of God G. Michael Zbaraschuk,2015-06-29 The doctrine of providence is one that has fallen into theological oblivion in recent years How can the

words God and history still be said in the same sentence This book surveys important contemporary attempts to talk about God and history examines why they haven't been successful and offers a contemporary doctrine of providence that is historically realistic adequate to religious experience and grounded in the Christian tradition The author draws on the philosophical orientation of Alfred North Whitehead and brings it into conversation with liberation and ecological theologies

Christianity and Classical Culture Jaroslav Pelikan, 1993-01-01 The momentous encounter between Christian thought and Greek philosophy reached a high point in fourth century Byzantium and the principal actors were four Greek speaking Christian thinkers whose collective influence on the Eastern Church was comparable to that of Augustine on Western Latin Christendom In this erudite and informative book a distinguished scholar provides the first coherent account of the lives and writings of these so called Cappadocians named for a region in what is now eastern Turkey showing how they managed to be Greek and Christian at the same time Jaroslav Pelikan describes the four Cappadocians Gregory of Nazianzus Basil of Caesarea Gregory of Nyssa and Macrina sister and teacher of the last two who were trained in Classical culture philosophy and rhetoric but who were also defenders and expositors of Christian orthodoxy On one issue of faith and life after another the nature of religious language the ways of knowing the existence of God the universe as cosmos time and space free will and immortality the nature of the good life the purpose of the universe they challenged and debated the validity of the Greek philosophical tradition in interpreting Scripture Because the way they resolved these issues became the very definition of normative Christian belief says Pelikan their system is still a key to our understanding not only of Christianity's diverse religious traditions but also of its intellectual and philosophical traditions This book is based on the prestigious Gifford Lectures presented by Jaroslav Pelikan at the University of Aberdeen in 1992 and 1993

The Top Books of the Year Christian Modern World Classic Reprint The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
