Christian Caregiving--a Way of Life Kenneth C. Haugk,2020 [Christian Caregiving--a Way of Life, Leader's Guide](#)
Kenneth C. Haugk,William J. McKay,1986 **A Flickering Flame** Curtis L. Whitney,2019-06-28 While reading this book and something unexpected happens how would you respond Who would you look to for help There are a vast number of people stranded on life s highway struggling for help to resolve the difficult crises they face day to day The goal is to assist in a manner that enables them to endure with dignity and hope Think of the many crises you have faced and where you would have ended up had someone not stopped and shared a helping hand Crises can either bring out the best in us or the worse depending on one s ability to cope A Flickering Flame is a metaphor suggesting that when unexpected events occur the source of light is affected resulting in a flicker Viewed through the physical lens during a storm or power surge the lights might flicker Similarly in the emotional realm severe losses leave people bereft of vital sources of emotional supplies and typically produce grieving reaction flickering flames There will be times when your light will flicker but someone will show up to keep it aglow Equipping and empowering congregational leaders is a model that produces creative strategies for caregiver intervention **Evaluating Models of Christian Counseling** George R. Ross,2011-03-14 Initially developed as a classroom resource Evaluating Models of Christian Counseling serves as a primary example of the complexities involved in integrating psychology theology and spirituality into the counseling process The would be counselor and the experienced professional are each introduced to a systematic evaluation model for determining how effectively a specific Christian Counseling Program incorporates psychological spiritual and theological constructs into their milieu After presenting a working definition of the counseling process and its relationship to psychology theology and spirituality an application of the evaluation model to four Christian Counseling programs is demonstrated **How Shall We Then Care?** Paul Shotsberger,Cathy Freytag,2020-01-21 Though much has been written about ethic of care and its importance in education little is available to guide Christian educators who desire to demonstrate a disposition of care toward self learners colleagues and community As this book makes clear a Christian ethic of care serves to illuminate our relationship with God while also helping to flesh out what care looks like in various contexts including and especially teaching and teacher education How Shall We Then Care invites engagement with questions not just about what teachers should know about care but about how they are to care for those in their circle of influence what it means to care what counts as care what practices nurture care and how care is experienced The authors are teachers and teacher educators who like you have struggled to find answers to these questions The settings for these explorations span the spectrum from K 12 classrooms to Christian and public higher education covering issues such as trauma informed classroom practice the use of role playing games for teaching ethics the

transition from teacher candidate to novice teacher the crucial interface between care and inclusive education and the vital role empathy plays in educational care
