Christianity In Crisis The 21st Century:

Christianity in Crisis Hank Hanegraaff,1993 Church leaders are spreading distorted doctrines that undermine biblical Christianity Hanegraaff documents the blasphemies and false teachings of the Faith movement Christianity and the Social Crisis in the 21st Century Walter Rauschenbusch,Anthony Campolo,2007-08-07 On the 100th anniversary of its publication leading public theologians respond to the enduring relevance of this classic of faith and politics PUBLISHER DESCRIPTION **Christianity and the Social Crisis in the 21st Century** Walter Rauschenbusch,2008-07-01 The 100th Anniversary Edition of the Classic That Changed the American Church Forever Published at the beginning of the twentieth century Christianity and the Social Crisis is the epoch making book that dramatically expanded the church's vision of how it could transform the world The 100th anniversary edition updates this classic with new essays by leading preachers and theologians *Christians in Hell* Daniel P. Franklin,2010-09 Will all Christians go to heaven Christians in Hell answers this question with an emphatic no In his eye opening expose of the Christian faith Daniel P Franklin provides Scripture based reasons why many who sincerely believe that Jesus is their Lord and Savior will be cast into hell on Judgment Day In today's egotistical culture many choose to believe in self achievements and hope in the saving power of personal works This is not the message Jesus preached Christians in Hell is a sobering warning to all professing Christians to heed the Apostle Paul's exhortation to Examine yourselves whether ye be in the faith 2 Corinthians 13:5 Bringing a timely perspective to Jesus's haunting question when the Son of man cometh shall he find faith on the earth Luke 18:8 Christians in Hell casts a fresh light on the dangers of today's man centered doctrines that are leading men to hell in the name of Christ Discover the key discrepancies between popular modern theology and the true salvation message God outlined for his people *America in God's World* Kenneth L. Vaux,2009-02-18 America in God's World argues that human injustice in social policy areas such as security economy and ecology can be traced to defective theology ethics abroad in the land Renewing biblical theology and ethics and finding new ways to appropriate this wisdom into public policy can bring renewal to our national life and help heal and reconcile our troubled world The Church in the Face of Crises and Challenges over the Centuries Marcin Nabożny,Marcin Wysocki,2023-06-12 Challenges crises and difficult experiences are an integral part of our lives and an inherent element of every human being's existence in addition to being ingrained in the functioning of organisations institutions and nations On many occasions humankind has failed to confront them resulting in the real dramas that we witness on the pages of history Fortunately challenges crises and difficult situations have often been lessons from which appropriate conclusions have been drawn thanks to which it was possible to create a better future In the history of the Church from its very beginning challenges have been an integral part of working towards a better tomorrow a better version of oneself and the reality around us and the Church herself Paradoxically what was intended to weaken or even destroy the faith became an impulse for its spread Crisis became the cause of consolidation and development And so over the centuries

the Church has faced crises caused by schisms divisions unsuitable people in ecclesiastical offices as well as challenges posed by the surrounding world political systems and conflicts of human origin Owing to this publication the reader will be able to learn about various types of crises and challenges in order to draw conclusions from them to appreciate the history of the Church through a better knowledge thereof and all this in order to create a better future The subject of the book concerns crises and challenges during various periods in the history of the Church up until modern times including the crisis caused by the Second World War or communism in Central and Eastern Europe

Theologies of the 21st Century David L. Smith, 2014-10-02 What theologies are popular and formative of Christian thinking in the present day How should they be assessed by those Christians who want to be in the world without being of the world *Theologies of the 21st Century* begins with an overview of the historical roots from which current theological thinking has developed and then moves on to a detailed evaluation of the chief doctrinal and practical emphases taking an evangelical biblical perspective that seeks to be at once both critical and irenic

The Last Disciple Hank Hanegraaff, Sigmund Brouwer, 2012-04-19 First century Rome is a perilous city as Nero stalks the political circles and huddled groups of believers To be safe Christians must remain invisible Gallus Sergius Vitas is the only man within Nero's trusted circle willing to do what it takes to keep the empire together He struggles to lessen Nero's monstrosities against the people of Rome especially the Christians But as three Greek letters are scrawled as graffiti throughout the city Nero's anger grows As the early church begins to experience the turbulence Christ prophesied as the beginning of the last days an enemy seeks to find John's letter Revelation and destroy it Meanwhile the early Christians must decipher it and cling to the hope it provides as they face the greatest of all persecutions
