Christians Muslims And Jesus:

Christians, Muslims, and Jesus Mona Siddiqui, 2013-05-20 Analyzing selected works by major Christian and Muslim theologians during the formative medieval and modern periods of both religions this thought provoking volume explores the centrality of Jesus in Christian Muslim relations [Jesus in Muslim-Christian Conversation](#) Mark Beaumont, 2018-03-01 Jesus is a revered messenger of God for Muslims and Lord and Savior for Christians How can Muslims and Christians relate to each other when this figure from the past attracts them yet drives them apart Jesus is the very center of the Christian faith but for Muslims he is a faithful witness to God who is central to Islam In the twenty first century is it possible for Muslims and Christians to relate to each other around him This book is an attempt to bring together two representative voices from Muslim and Christian communities to talk about Jesus Ibrahim is a Sunni Sufi Muslim who has studied Christianity and has been active as an academic in the Western world Paul is an Evangelical Protestant who has lived in the Muslim world and has been engaged in teaching religious studies in the West The conversation begins with the conception of Jesus and ends with his return from heaven and deals with his earthly work in between His miraculous activity his teaching and the titles he has been given are considered in detail and differences over the ending of Jesus life are debated **Images of Jesus Christ in Islam** Oddbjørn Leirvik, 2010-05-27 Comprehensive and contemporary exploration of the role of Jesus in both Islam and Christianity and issues of dialogue in Christian Muslim relations [Was Jesus a Muslim?](#) Robert F. Shedinger, An intriguing question Do Muslims understand Jesus in some ways more historically appropriate than Christians do leads Robert F Shedinger into a series of provocative challenges to the disciplines of religious studies and comparative religions Questioning the convenient distinction between politics and religion and the isolation of religion from wider social and cultural questions Shedinger offers a proposal for a more accurate and respectful understanding of faith that he argues will improve possibilities for mutual understanding among Christians Muslims and others **Theological Issues in Christian-Muslim Dialogue** Charles Tieszen, 2018-06-08 Theological Issues in Christian Muslim Dialogue addresses the main theological topics of discussion that appear in Christian Muslim engagement Many of these topics originate in the medieval period and the earliest encounters between Christians and Muslims Even so the topics persist in contemporary contexts of dialogue and engagement Christians and Muslims still discuss whether or not God should be understood as strictly one or as a Trinity in Unity and debates over the nature of revelation or prophethood remain Theological reflection therefore must continue to be brought to bear on these topics in light of their history and in view of their applicability to growing contexts of inter religious engagement Theological Issues in Christian Muslim Dialogue is a comprehensive theological sourcebook for students learning about Christian Muslim relations and practitioners engaged in Christian Muslim dialogue [The Truth About Islam and Jesus](#) John Ankerberg, Emir Caner, 2009-08-01 Christians are often surprised when they hear Muslims say We believe in Jesus too and we hold Him in great esteem But what do they really mean Are the Muslim Jesus and the Christian Jesus the

same person Immersed in the Islamic worldview as the son of a devout muezzin mosque leader Emir Caner helps readers untangle two very different belief systems He and John Ankerberg take on the tough questions What role does Jesus have in Islam What does the Qu ran say about Him What does it not say Why are Muslims repulsed by the idea that Jesus is the Son of God fully God and fully man What do Muslims have in mind when they acknowledge Jesus as virgin born How can Christians discuss these belief differences without insulting Muslim friends and acquaintances A concise authoritative guide for informed Muslim Christian interaction

Jesus and the Incarnation David Emmanuel Singh,2011 Jesus and the Incarnation Reflections of Christians from Islamic Contexts In the dialogues of Christians with Muslims nothing is more fundamental than the Cross the Incarnation and the Resurrection of Jesus An open and honest conversation on these is a necessity as Christians all over the world meet with Muslims on a daily basis Building on the volume on the Cross published in 2009 this book contains voices of Christians living in various Islamic contexts and reflecting on the Incarnation of Jesus The aim of these reflections is constructive and the hope is that the papers weaved around the notion of the Word will not only promote dialogue among Christians on the roles of the Person and the Book but also create a positive environment for their conversations with Muslim neighbors

Seeking Allah, Finding Jesus Nabeel Qureshi,2016-04-19 In Seeking Allah Finding Jesus now expanded with bonus content Nabeel Qureshi describes his dramatic journey from Islam to Christianity complete with friendships investigations and supernatural dreams along the way Providing an intimate window into a loving Muslim home Qureshi shares how he developed a passion for Islam before discovering almost against his will evidence that Jesus rose from the dead and claimed to be God Unable to deny the arguments but not wanting to deny his family Qureshi struggled with an inner turmoil that will challenge Christians Muslims and all those who are interested in the world s greatest religions Engaging and thought provoking Seeking Allah Finding Jesus tells a powerful story of the clash between Islam and Christianity in one man s heart and of the peace he eventually found in Jesus I have seldom seen such genuine intellect combined with passion to match truly a must read book Ravi Zacharias

Jesus and the Cross David Emmanuel Singh,2008-06-01 The paper in this volume are organized in three parts scriptural contextual and theological The central question being addressed is how do Christians living in contexts where Islam is a majority or minority religion experience express or think of the Cross This is therefore an exercise in listening As the contexts from where these engagements arise are varied the papers in drawing scriptural contextual and theological reflections offer a cross section of Christian thinking about Jesus and the Cross

Jesus and Muhammad Daniel Hummel,2017-07-01 Jesus and Muhammad lived in different times and in different contexts An absolute comparison of the careers of these two men is not a satisfactory method in understanding the similarities and differences between their teachings This book approaches this topic from a different perspective The time that Muhammad preached in Mecca is compared to the time Jesus spent preaching throughout Palestine This improves the similarities in contexts between them and makes a comparison more valid The number of

similarities outweighs the number of differences when looking at the four books of the Gospel and the chapters of the Qur'an revealed in Mecca. On issues related to prayer, the Oneness of God, charity, the Hereafter, and forgiveness, the teachings in these two books are practically the same. A number of core theological issues surfaced in the Book of John do clash with Qur'anic teachings about the person of Jesus. These differences and the possible reasons for them are explored in this book. The conclusion of this book is that Muslims and Christians have more shared values and even theological similarities than differences. It is recommended that Muslims and Christians should spend more time understanding these commonalities.
