Christians Should Know How To Apply The Torah Christian Foundational Teachings Book 6:

Ethical Issues in Six Religious Traditions Peggy Morgan, 2007-02-16 How do Hindus view euthanasia Is there a Sikh view of advertising Do Jews and Muslims share the same attitude to marriage How do Christian and Buddhist views on the environment differ This book draws together authors respected in six traditions to explore in parallel the ethical foundations for Hindu Buddhist Sikh Jewish Christian and Muslim faiths Each section introduces a different religion and asks specific topical questions set in a wider context The issues addressed are religious identity and authority the personal and the private marriage and family influences on and use of time money and other personal resources the quality and value of life questions of right and wrong equality and difference conflict and violence and global issues The contributors to this expanded edition are Peggy Morgan Clive Lawton Werner Menski Eleanor Nesbitt Alan Brown and Azim Nanji Additions for this new edition include subsections on reproduction vegetarianism just war and terrorism and Invitation to the Torah George Van Pelt Campbell, 2020-07-10 We all love a good story The Torah or Pentateuch is regularly defamed as law Actually it s a saga about our search for happiness and how the God of the Bible fits into it Lacing legal material into narrative punctuated with poetry the Torah contrasts two provocative personalities named Abraham and Moses Fascinating and fickle their adventures portray two visions of approaching God The Torah was written to render a verdict on who is the best model This book demonstrates that Genesis Exodus Leviticus Numbers and Deuteronomy are a unified narrative framed as contrasting biographies proclaiming a coherent message It surveys each book s structure and themes to determine its argument and then articulates the Torah s message for people of all time its vision of human happiness It establishes that the Torah is the core of the Jewish and Christian Bibles and shows how the rest of the Bible elaborates its message Ending with suggestions to help you read it this book is your invitation to the Torah *Christianity and Rabbinic Judaism* Jonas E. Alexis, 2011-12-29 The simple step of a courageous individual is not to take part in the lie One word of truth outweighs the world Alexander Solzhenitsyn In this penetrating and provocative work Jonas E Alexis challenges common assumptions about the relationship between Christianity and Rabbinic Judaism and provides compelling evidence from history and theology that demonstrates the extent to which modern Judaism has been defined by the Pharisaic and Rabbinic schools of thought As Alexis meticulously documents there has been a constant struggle between Christianity and Rabbinic Judaism since the time of Christ a struggle that will define the destiny of the West Islam according to Christianity is a historically and theologically false religion since it denies both Jesus s deity and His work of salvation at the Cross But Rabbinic Judaism Alexis argues is equally false and in many respects more dangerous to Christianity and the West than Islam since at its root Rabbinic Judaism wages war against the Logos the system of order in the world embodied by Christ In this painstakingly scholarly yet readable work Alexis maintains that Rabbinic Judaism defined by the Pharisaic teachings now codified in the Talmud that Jesus sought to correct is a categorical and metaphysical rejection of Christianity a rejection that has had and will continue to have severe implications

for Western culture intellectual history and theological exegesis **Fundamental Christian Ethics** Daniel Heimbach, 2022-11-01 In *Fundamental Christian Ethics* Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues *Preaching in Judaism and Christianity* Alexander Deeg, Walter Homolka, Heinz-Günther Schöttler, 2008 Main description It is a widespread idea that the roots of the Christian sermon can be found in the Jewish Derasha But the story of the interrelation of the two homiletical traditions Jewish and Christian from New Testament times to the present day is still untold This book offers the papers of the first international conference Bamberg Germany 6th to 8th March 2007 which brought together Jewish and Christian scholars to discuss Jewish and Christian homiletics in their historical development and relationship and to sketch out common homiletical projects Encountering the Book of Romans (Encountering Biblical Studies) Douglas J. Moo, 2014-07-08 In this updated edition of his successful textbook a leading evangelical New Testament scholar offers a guide to the book of Romans that is informed by current scholarship and written at an accessible level The new edition has been updated throughout and features a new interior design After addressing introductory matters and laying the groundwork for reading Romans Douglas Moo leads readers through the weighty argument of this significant book highlighting key themes clarifying difficult passages and exploring the continuing relevance of Romans As with other volumes in the well received *Encountering Biblical Studies* series this book is designed for the undergraduate classroom and includes pedagogical aids such as photos and sidebars A test bank for professors is available through Baker Academic s Textbook eSources **Christian Zionism 101** Albert J. McCarn, 2025-01-17 Why would anyone want to be a Zionist Maybe because God is a Zionist as we learn from the Bible Thus says the LORD of hosts I am exceedingly jealous for Jerusalem and for Zion Zechariah 1 14 Zion is Jerusalem and the Land of Israel Simply put Zionism is the movement for the return of the Jewish people to their ancestral homeland and the resumption of Jewish sovereignty in the Land of Israel But why should Christians care Albert J McCarn provides ten answers to that question starting with the fact that Jesus is Jewish In this volume Bible believing Christians will find ample evidence in scripture for supporting the Jewish people and the Jewish State of Israel In addition there is the record of history the Judeo Christian foundation of our biblical worldview and the practical considerations of supporting the only liberal democracy in the Middle East **Covenantal Conversations** Darrell Jodock, Explores the eight most important topics in Jewish Christian relations Features the key leaders in Jewish Christian relations and theology Includes a study of the Arab Israel Palestinian conflict *Paul the Jewish Theologian* Brad H. Young, 1995-09-01 *Paul the Jewish Theologian* reveals Saul of Tarsus as a man who though rejected in the synagogue never truly left Judaism Author Young disagrees with long held notions that Hellenism was the context which most influenced Paul s communication of the Gospel This skewed notion has led to widely divergent interpretations of Paul s writings Only in rightly aligning Paul as rooted in his Jewishness and training as a Pharisee can he be correctly interpreted

Young asserts that Paul's view of the Torah was always positive and he separates Jesus' mission among the Jews from Paul's call to the Gentiles.
