Christians With Pervasive Issues:

Christians with Pervasive Issues Annie Brown,2011-08 Even as a faithful Christian there may be times when you feel that there is no hope of escaping issues and themes in your life that ensnare and trip you up time and time again When a certain pattern of behavior or type of suffering has been following you all your life its hard to believe that you can ever escape from it Christians with Pervasive Issues shows us that every child of God can be delivered from issues that cause them to be a victim rather than walking in victory In compassionate no nonsense language Annie Brown demonstrates that with genuine repentance using Gods principles and the right counseling support you can overcome anything Christians with Pervasive Issues gives you the ray of hope you need in order to heal your life and get closer to God *Subversive Christianity, Second Edition* Brian J. Walsh,2014-09-01 Where is Western culture going What should Christians think about it Those who already ask these questions often come up with confused answers Those who do not are arguably living in a fool s paradise or a fool s hell In this second edition of Subversive Christianity Brian Walsh returns to the themes of cultural discernment that he unpacked more than twenty years ago In a new Postscript Walsh revisits Francis Fukuyama Bruce Cockburn and the prophet Jeremiah and asks Where are we now In light of 9 11 and the world economic crisis of 2008 how do we discern the times and what does that discernment tell us about the calling of the church **God and The Twelve Problems of Evil** Thomas Ronald Vaughan,2020-06-08 This book of essays asks the enduring age old question If God is loving and good why is there so much evil It answers boldly Because God creates sustains and allows evil in the world This fact is the greatest and most impenetrable mystery of the Christian faith Twelve categories of evil are thereafter described and analyzed The case is made that God is actively involved in the manifestations of evil mysteriously and paradoxically suffers with her beloved children but is in control of it all Whatever harms causes suffering or destroys persons animals or the precious earth will be eliminated forever but only in God s good time Until then believers must overcome evil with good maintaining faith in the God whose thoughts and ways are not ours **Christianity** Sandra Sizer Frankiel,2011-08-18 Christianity has a deceptively simple core but is an extremely diverse religion Frankiel approaches that diversity by a historical study that traces the contours of development and identifies some of the major different religious styles worldviews and directions within the religion She then examines the characteristics of Christianity that endure over timethose that make it distinct from other religions This multidimensional approach provides a rich picture of Christianity by utilizing a variety of perspectives bringing some material into view more than once to reinforce learning and provoke questions The Myth of the Stone-Campbell Movement Jim Cook,2019-09-09 The Stone Campbell Movement was created in 1832 when Barton Stone s Christians from the West merged with Alexander Campbell s Reforming Baptists By the beginning of the Civil War it was the sixth largest religious movement in the United States and in the twentieth century the movement split into the three main branches that exist today In recent years scholars from these branches have worked to better understand their nineteenth

century roots creating the historical sub field restoration history in which historians and other scholars debate the influence of Stone and Campbell on specific characteristics of the existing branches Bringing new insight into that debate Jim Cook uses the writings of both Stone and Campbell to show that Stone was not a viable leader of the movement after 1832 and that his ideas were not part of what influenced the twentieth century branches of the movement This study demonstrates that the debates going on between restoration historians are thus predicated on the false assumption that Stone influenced people within his movements and proves that Stone was an outsider in the movement that bears his name

Christianity and Intellectual Inquiry Douglas Jacobsen, Douglas Gordon Jacobsen, Rhonda Hustedt Jacobsen, 2025 *Christianity and Intellectual Inquiry* examines the many ways that Christians past and present have tried to make sense of themselves and the world around them weaving together an intellectual and epistemological history of Christianity in America The book introduces the concept of pilgrimage as a metaphor that describes intellectual inquiry as an open ended search for truth that is in steady dialogue with others

Beyond Abuse in the Christian Home Catherine Clark Kroeger, Nancy Nason-Clark, Barbara Fisher-Townsend, 2008-08-15 In January 2004 a newly founded evangelical organization called PASCH was formed The word denotes the Passover or time of new beginnings when God kept people safe in their own homes before leading them into freedom from abuse and oppression Yet the word PASCH also stands for Peace and Safety in the Christian Home PASCH began as a small group of therapists sociologists domestic violence experts clergy biblical scholars survivors and dedicated Christians In essence PASCH was born out of the cries confusion and frustration of the people of God As we encountered many horrifying situations of domestic abuse in Christian homes those of us who seek to address various aspects of the issue concluded that we needed a fellowship of concerted study prayer and action It was the dream of Catherine Clark Kroeger that an edited book might emerge from the 2005 and 2006 PASCH conferences in order that the papers presentations and discussions might be widely available We found that to make that happen we needed to work together that each of us possessed one piece of the puzzle and that by God s grace we could collectively begin to put the pieces together The topic of abuse is ugly which is why so many Christians shy away from discussing it But in this volume we have tried to present an accurate faith based analysis of abuse in the Christian family context We hope that various chapters stimulate discussion sometimes debate and in so doing prompt pastor and people to action We call on you the reader to consider the various ideas and perspectives offered throughout the book Hopefully each chapter will prompt you to consider afresh how you conceptualize violence among families of faith Like you the reader the contributors to our collection come from various faith traditions work in different contexts and see the issue in part based on their own narrative and training Yet despite our differences and our ongoing debates we are unanimous that violence has no place in the home Every home should be a safe place every home a shelter When abuse occurs in families of faith it is the responsibility of the church to offer compassion and support to victims and to call those who act abusively to accountability and justice Our edited collection includes Dan

Allender speaking from the heart about the impact of the fall on relationships between men and women Al Miles reflecting on his pastoral experience of the difficulties and opportunities of speaking out against violence in Christian families Bruce and Karen McAndless Davis offering one couple's story of the long journey toward accountability and dramatic change Julie Owens retelling her own dramatic story of abuse the life imprisonment of her ex partner and what she wished every pastor knew about domestic violence

Anti-Christian Violence in India Chad M. Bauman, 2020-09-15 Does religion cause violent conflict asks Chad M Bauman and if so does it cause conflict more than other social identities Through an extended history of Christian Hindu relations with particular attention to the 2007 2008 riots in Kandhamal Odisha Anti Christian Violence in India examines religious violence and how it pertains to broader aspects of humanity Is religious conflict sui generis or is it merely one species of intergroup conflict Why and how might violence become an attractive option for religious actors What explains the increase in religious violence over the last twenty to thirty years Integrating theories of anti Christian violence focused on politics economics and proselytization Anti Christian Violence in India additionally weaves in recent theory about globalization and in particular the forms of resistance against Western secular modernity that globalization periodically helps to provoke With such theories in mind Bauman explores the nature of anti Christian violence in India contending that resistance to secular modernities is in fact an important but often overlooked reason behind Hindu attacks on Christians Intensifying the widespread Hindu tendency to think of religion in ethnic rather than universal terms the ideology of Hindutva or Hinduness explicitly rejects both the secular privatization of religion and the separability of religions from the communities that incubate them And so with provocative and original analysis Bauman questions whether anti Christian violence in contemporary India is really about religion in the narrowest sense or rather a manifestation of broader concerns among some Hindus about the Western sociopolitical order with which they associate global Christianity

Christian Barriers to Jesus (Revised Edition) J. Paul Pennington, 2022-02-15 A Call to Follow Jesus When He Challenges Our Traditions There are many challenges to adequately representing Jesus to the majority world and often Western Christian traditions create unnecessary hindrances to people accepting His truth This book grew out of many interviews with Indian Jesus followers both Christians and Yesu bhaktas who identified painful stumbling blocks to receiving and sharing the gospel While Hindus often have a high view of Jesus they struggle with the conventions practices and labels around church Christian Barriers to Jesus uniquely challenges readers to examine nine barrier producing Christian traditions exploring The assumptions Christians may hold about the value origin or necessity of their customs The concerns Hindus commonly raise about traditions that confuse offend or alienate them Teachings from Jesus in Scripture that often question the same ideas or practices Pennington suggests that by not asking deep enough questions about what is essential for following Jesus and what is a non essential human invention the church is unnecessarily alienating millions of people from Him As a body it is time to honestly address these concerns developing new patterns of discipleship that reveal Jesus's heart for breaking down barriers

instead of creating them The analysis presented in this book will empower readers to critically examine their personally cherished traditions and the purity of the gospel they present with insights that are relevant in all contexts **Themelios, Volume 49, Issue 2** Brian Tabb,2024-09-19 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary
