An Internet for the People Jessa Lingel,2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn t profit off your data An Internet for the People explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site s history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist s legal history describing the company s courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet *Savior and Brittani* Traci B,2018-10-23 For as long as anyone can remember Brittani Evans has always been ambitious Though an attractive girl she has cared more about her academics than her appearance At the age of twenty two she works two jobs to cover her college tuition since higher education isn t a top priority to her family She knows what her long term goals are and she doesn t mind taking food orders and selling shoes while she earns her degree Sierra Jones and Brittani have been best friends since they were kids Unbeknownst to Brittani Sierra feels that she s superior because she s a talented hairstylist She has definitely earned the

title The Hair Hustler in all of Dallas Sierra lives on her high horse and has no plans to come off That is until a guy by the name of Savior inadvertently knocks her down Savior Davis is the owner of two car dealerships in Dallas and Houston At twenty four he is successful single and he doesn't have any kids Working six days out of the week between two locations leaves him no time to date One day a trip to DSW changes all of that He is usually a busy man but for Brittani he's certainly free For the longest Sierra has prospered due to her talent while Brittani has struggled to make ends meet Within a year's time Savior upgrades Brittani's life Brittani goes from an aspiring FBI agent to a Dallas housewife While Brittani enjoys the luxuries that come with being with Savior Sierra plots on the low Sierra finds herself wanting what Brittani has or who she has Brittani is forced to learn that there is no such thing as loyalty in the Dirty D
