Raising Brooklyn Tamara R. Mose, 2011-01-24 Stroll through any public park in Brooklyn on a weekday afternoon and you will see black women with white children at every turn Many of these women are of Caribbean descent and they have long been a crucial component of New York's economy providing childcare for white middle and upper middle class families Raising Brooklyn offers an in depth look at the daily lives of these childcare providers examining the important roles they play in the families whose children they help to raise Tamara Mose Brown spent three years immersed in these Brooklyn communities in public parks public libraries and living as a fellow resident among their employers and her intimate tour of the public spaces of gentrified Brooklyn deepens our understanding of how these women use their collective lives to combat the isolation felt during the workday as a domestic worker Though at first glance these childcare providers appear isolated and exploited and this is the case for many Mose Brown shows that their daily interactions in the social spaces they create allow their collective lives and cultural identities to flourish Raising Brooklyn demonstrates how these daily interactions form a continuous expression of cultural preservation as a weapon

against difficult working conditions examining how this process unfolds through the use of cell phones food sharing and informal economic systems Ultimately **Raising Brooklyn** places the organization of domestic workers within the framework of a social justice movement creating a dialogue between workers who don't believe their exploitative work conditions will change and an organization whose members believe change can come about through public displays of solidarity **Raising Brooklyn** Tamara Mose Brown,2011-01-24 Chronicles the experiences of women of Caribbean descent who provide childcare for middle and upper middleclass families in America discussing the roles they play in the families whose children they are raising and how their jobs help their collective lives and cultural identities to flourish **Just Be** Meredith Rom,2025-07-30 Have you ever felt a call from somewhere deep within telling you there must be more to life For Meredith Rom this call came at age twenty two while she was lying in savasana on the floor of a packed New York City yoga studio It came on the heels of an unpleasant breakup and an unforeseen turn in the economic market so with no job offers in sight she chose to listen Rom followed her intuition across the country to San Francisco and soon after halfway around the world to India This coming of age memoir takes you inside the ashrams of gurus and sages of the far East where one woman learns to heal her heart believe in the magical happenstance of the universe and find an unshakable love and trust within herself **Scratch** Manjula Martin,2017-01-03 A collection of essays from today's most acclaimed authors from Cheryl Strayed to Roxane Gay to Jennifer Weiner Alexander Chee Nick Hornby and Jonathan Franzen on the realities of making a living in the writing world In the literary world the debate around writing and commerce often begs us to take sides either writers should be paid for everything they do or writers should just pay their dues and count themselves lucky to be published You should never quit your day job but your ultimate goal should be to quit your day job It's an endless confusing and often controversial conversation that despite our bare it all culture still remains taboo In **Scratch** Manjula Martin has gathered interviews and essays from established and rising authors to confront the age old question how do creative people make money As contributors including Jonathan Franzen Cheryl Strayed Roxane Gay Nick Hornby Susan Orlean Alexander Chee Daniel Jose Older Jennifer Weiner and Yiyun Li candidly and emotionally discuss money MFA programs teaching fellowships finally getting published and what success really means to them **Scratch** honestly addresses the tensions between writing and money work and life literature and commerce The result is an entertaining and inspiring book that helps readers and writers understand what it's really like to make art in a world that runs on money and why it matters Essential reading for aspiring and experienced writers and for anyone interested in the future of literature **Scratch** is the perfect bookshelf companion to **On Writing** **Never Can Say Goodbye** and **MFA vs NYC** **My Father's Glass Eye** Jeannie Vanasco,2019-09-19 **My Father's Glass Eye** is Jeannie's struggle to honour her father her larger than life hero but also the man who named her after his daughter from a previous marriage a daughter who died After his funeral Jeannie spends the next decade in escalating mania in and out of hospitals increasingly obsessed with the other Jeanne Obsession turns to investigation as she plumbs her
