always taboo and often criminalized and yet it persists across cultures throughout history Plays Well in Groups looks at the symbolism of orgies as well as contemporary manifestations of group sex in bathhouses and public sex venues at BDSM and swinging parties on Craigslist and in political scandals Tantra classes reality television and more Frank explores the many reasons people participate in group sex from arousal to spiritual transcendence in this bold study of subversive sexuality

Not Gay Jane Ward, 2015-07-31 A different look at heterosexuality in the twenty first century A straight white girl can kiss a girl like it and still call herself straight her boyfriend may even encourage her But can straight white guys experience the same easy sexual fluidity or would kissing a guy just mean that they are really gay Not Gay thrusts deep into a world where straight guy on guy action is not a myth but a reality there s fraternity and military hazing rituals where new recruits are made to grab each other s penises and stick fingers up their fellow members anuses online personal ads where straight men seek other straight men to masturbate with and last but not least the long and clandestine history of straight men frequenting public restrooms for sexual encounters with other men For Jane Ward these sexual practices reveal a unique social space where straight white men can and do have sex with other straight white men in fact she argues to do so reaffirms rather than challenges their gender and racial identity Ward illustrates that sex between straight white men allows them to leverage whiteness and masculinity to authenticate their heterosexuality in the context of sex with men By understanding their same sex sexual practice as meaningless accidental or even necessary straight white men can perform homosexual contact in heterosexual ways These sex acts are not slippages into a queer way of being or expressions of a desired but unarticulated gay identity Instead Ward argues they reveal the fluidity and complexity that characterizes all human sexual desire In the end Ward s analysis offers a new way to think about heterosexuality not as the opposite or absence of homosexuality but as its own unique mode of engaging in homosexual sex a mode characterized by pretense dis identification and racial and heterosexual privilege Daring insightful and brimming with wit Not Gay is a fascinating new take on the complexities of heterosexuality in the modern era
