A Brief History of the Middle East Christopher Catherwood,2011-02-24 Western civilization began in the Middle East Judaism and Christianity as well as Islam were born there For over a millennium the Islamic empires were ahead of the West in learning technology and medicine and were militarily far more powerful It took another three hundred centuries for the West to catch up and overtake the Middle East Why does it seem different now Why does Osama bin Laden see 1918 with the fall of the Ottoman Empire as the year everything changed These issues are explained in historical detail here in a way that deliberately seeks to go behind the rhetoric to the roots of present conflicts A Brief History of the Middle East is essential reading for an intelligent reader wanting to understand what one of the world s key regions is all about Fully updated with a new section on the Iraq Invasion of 2003 the question of Iran and the full context of the Israeli Palestine conflict

The Restoration of Israel Gerhard Falk,2006 The restoration of Israel to the Holy Land was originally an English Protestant idea Jewish Zionism came later and succeeded only because of the Holocaust The principal impetus for the

promotion of a Jewish return to Zion was religious and began with the translation of the Bible from the Hebrew to English by Tindale Because literature in the English language depicted Jews almost always in an unfavorable light both British and American religious and political leaders were ambivalent about Jews Nevertheless the religious impulse to restore Israel became political in the twentieth century and succeeded with the establishment of the Jewish state in 1948 Charles W. Colson: A Life Redeemed Jonathan Aitken,2010-06-23 He was Nixon s hatchet man A jailed felon And now one of the most significant Christian leaders of our time Here is his life story Charles Colson has become one of the most revered leaders of our time His ministry outreach Prison Fellowship has swelled to 40 000 volunteers working in 100 countries His Angel Tree Christmas program provides presents to more than half a million children of prison inmates every year His daily radio broadcast BreakPoint airs daily on more than 1 000 radio outlets across the country And his twenty books have sold more than five million copies in the U S But God had to work some mighty miracles to bring this unusual servant to this prominent place of service After all Colson was known as President Nixon s hatchet man His involvement in the Watergate conspiracy led him to prison and then to a life changing encounter with God Now noted author Jonathan Aitken has written the first biography that compellingly presents a first rate understanding of the political historical and spiritual journeys of Charles W Colson a life redeemed **Having Gifts that Differ** Peggy L. James White,2020-11-03 Established in 1800 edinoverie translated as unity in faith was intended to draw back those who had

broken with the Russian Orthodox Church over ritual reforms in the 17th century. Called Old Believers, they had been persecuted as heretics. In time the Russian state began tolerating Old Believers in order to lure them out of hiding and make use of their financial resources as a means of controlling and developing Russia's vast and heterogeneous empire. However, the Russian Empire was also an Orthodox state and conversion from Orthodoxy constituted a criminal act. So which was better for ensuring the stability of the Russian Empire: managing heterogeneity through religious toleration or enforcing homogeneity through missionary campaigns? Edinoverie remained contested and controversial throughout the 19th and early 20th centuries as it was distrusted by both the Orthodox Church and the Old Believers themselves. The state reinforced this ambivalence using edinoverie as a means by which to monitor Old Believer communities and employing it as a carrot to the stick of prison, exile, and the deprivation of rights. In *Unity in Faith*, James White's study of edinoverie offers an unparalleled perspective of the complex triangular relationship between the state, the Orthodox Church, and religious minorities in imperial Russia.
