Diamond-Cut Abs Danny Kavadlo,2014-10 [Diamond Cut Six Packs!](#) Andrei Besedin,2017-09-24 Losing weight is a billion dollar industry in America there are thousands of devices and programs you can buy that promise to get you 6 pack abs fast but they don't work. If it were as easy as buying a pill shake or ab machine then the shopping malls across America you would see all men with rippling washboard abs and all women with flat tummies but what do we see instead Obesity everywhere. Let's clear up one huge misconception right now ab machines and ab exercises will NOT get you 6 pack abs 95% of the work in getting 6 pack abs is losing bodyfat and no ab exercise will do that. If you have a beer belly you could do ab exercises all year long and still never get 6 pack abs. You can have rippling muscular abs but if they are covered with an inner tube of fat then nobody is going to see them. It's not that hard and it's not that complicated. The changes you need to make to lose weight and reduce your bodyfat are much smaller than you fear and they are easier to live with than you could possibly imagine. A common sense approach involving exercise and nutrition is all that is required to get ripped washboard abs. When most people think about losing weight what comes to mind is words like hunger deprivation diet and agony. No. Losing weight properly will not result in any of these. The key is in the above two words common sense. [The Griffin Series: Genesis G.](#) Benjamin Alexander,2013-10 General Saigon Alexander is the honorable captain of the ESS Battleship Sphinx. He is an officer of the Galactic Police, a law enforcement branch created by the Unified Galactic State. His crew is talented, driven, and composed of many of his childhood friends. Together they are a hard working team often looked to for secret interstellar missions by the UGS. One such mission involves the successful apprehension of a notorious enemy of the state charged with plotting terrorist activities against the regime and the president. Saigon is proud of his accomplishment and yet he is soon shocked to witness the inhumane treatment of their captive. He protests but is threatened with imprisonment himself. Saigon, ever loyal, feels a need to pull away. He resolves to combat the tyranny of the Galactic Police and with the help of his crew a new ship is commissioned. The Griffin will be their safe haven as news spreads of their betrayal. Soon they are named outlaws but Saigon will not stop fighting for the good of the galaxy and justice for all. [Blue Sky Turns Gray](#) Vanessa Soyer,2013-02-02 In reading this book you will see that there was a young girl Jocelyn Spaulding she was just living her life in the streets of New York City no different from anyone else her age in the big city. She had a baby fresh out of high school she had a mother that was an addict she had a father that was in prison for most of her life but there were people around her that loved and cared for her but in Josie's mind that wasn't enough. She was led to the world of popularity, fortune, love and lust just by spending one weekend with a childhood friend in Atlanta. Georgia.
