servants to advance history toward His planned revelation of His Son our Lord and Savior Jesus Christ As He did He also provided a written record for us to study and use as warnings exhortations and boundaries for our own lives Although our circumstances have changed since ancient biblical times the people represented in them still look much the same as you and I This study provides women with a unique approach to learning and applying God s principles for daily living by examining some of the key lessons that are to be seen from the lives of many Old Testament characters As we see their attributes and flaws and study how God interacted with them we can appreciate how His own standards of holiness are never compromised although His guidance is tempered with great love and mercy Join Cindy Lasiter in this seventeen week study which can be used for personal study or dynamic group discussion You too will gain great hope and direction as you see how even God s most incredible servants in the Bible were at best diamonds in the rough Author s Cover Bio Cindy Lasiter has taught God s Word to children youth and women for many years She was a class administrator and women s discussion leader for Bible Study Fellowship International as well as the director of women s ministry for her church She currently teaches a Bible study for women at RockPointe Church in Flower Mound Texas Her greatest desire is to teach women how to apply God s Word to their lives in order to know Him better and live out His plan and purpose on earth

Diamonds in the Rough Michelle Madow,2014-11-01 All access doesn t mean no problems The three Diamond sisters survived the summer in style after coming to live with their long lost billionaire father But making a place for themselves at their exclusive new Las Vegas private school is throwing them any number of gold plated curves Savannah s YouTube stardom turns into a Sweet Sixteen reality show extravaganza with complimentary enemies on the side Dangerous flirtations don t keep Peyton from a gamble that will risk far more than she planned to bet And when Courtney and the sisters archenemy Madison uncover two explosive secrets it will rock even this town of glittering illusion and turn their lives upside down all over again

Diamonds in the Rough Todd Cleveland,2015-07-15 Diamonds in the Rough explores the lives of African laborers on Angola s diamond mines from the commencement of operations in 1917 to the colony s independence from Portugal in 1975 The mines were owned and operated by the Diamond Company of Angola or Diamang which enjoyed exclusive mining and labor concessions granted by the colonial government Through these monopolies the company became the most profitable enterprise in Portugal s African empire After a tumultuous initial period the company s mines and mining encampments experienced a remarkable degree of stability in striking contrast to the labor unrest and ethnic conflicts that flared in other regions Even during the Angolan war for independence 1961 75 Diamang s zone of influence remained comparatively untroubled Todd Cleveland explains that this unparalleled level of quietude was a product of three factors African workers high levels of social and occupational commitment or professionalism the extreme isolation of the mining installations and efforts by Diamang to attract and retain scarce laborers through a calculated paternalism The company s offer of decent accommodations and recreational activities as well as the presence of women and children induced reciprocal behavior on the part of the miners a

professionalism that pervaded both the social and the workplace environments This disparity between the harshness of the colonial labor regime elsewhere and the relatively agreeable conditions and attendant professionalism of employees at Diamang opens up new ways of thinking about how Africans in colonial contexts engaged with forced labor mining capital and ultimately each other

Diamonds in the Rough Pasquale De Marco,2025-05-17 The minor leagues are a hidden gem in the world of baseball a place where dreams are made and shattered where players toil in obscurity and where the true spirit of the game can be found For over a century the minor leagues have been a proving ground for future major leaguers a place where young players can learn the game and develop their skills But the minor leagues are more than just a stepping stone to the big leagues they are a vital part of the baseball ecosystem providing entertainment and excitement to millions of fans across the country In Diamonds in the Rough we take you on a journey through the world of the minor leagues exploring the history of the game the challenges faced by minor league teams and players and the impact that the minor leagues have on baseball and society We meet the players who dream of making it to the big leagues the fans who support their local teams through thick and thin and the owners and executives who work tirelessly to keep the minor leagues alive We also examine the challenges facing the minor leagues in the 21st century from the rising cost of player salaries to the increasing popularity of other forms of entertainment But even in the face of these challenges the minor leagues continue to thrive providing a unique and affordable way for fans to experience the game of baseball Diamonds in the Rough is a celebration of the minor leagues a tribute to the players fans and teams that make it all possible It is a must read for any fan of baseball and a reminder that the true spirit of the game can be found in the small towns and cities across America where the minor leagues thrive If you like this book write a review on google books
